hello, im on Windows 7, Adobe Bridge CS5. first time i open the program so im trying to find the help files... couldn't imagine it would turn out to be that tricky. Help tells me to visit to the web site and the website has links for help files/documentation/user manual but all they contain are a few basic topics

~~Bridge help/documentation/user manual? - Adobe Support ...~~

Bridge CS5 views the folder and ignores the exported cache file because it has already seen that folder. It generates thumbnails for the new files and adds them to the central cache. If you don't want to fill disk space with exported caches for every folder Adobe Bridge views, deselect this option.

~~Manage your file cache in Adobe Bridge CS4, CS5~~
