Affiliate Marketing for Beginners: 7 Steps to Success

We obsess over tiny tactics. For example, it's common to spend too much time on individual keyword rankings for a single blog post. Sure, those tiny details are important. However, if we spend all of our time and resources chasing the 10% improvements, we'll never have enough time and energy to go after the big 1,000% [...]

Affiliate marketing lets you earn a commission by promoting a complementary company's product. When someone purchases the other company's product through your site, you get a commission. The affiliate and the host company share numerous business activities, including production, advertising, marketing and sales, so both parties stand to save on costs.

Affiliate marketing is the process by which an affiliate earns a commission for marketing another person's or company's products. The affiliate simply searches for a product they enjoy, then promotes that product and earns a piece of the profit from each sale they make. The sales are tracked via affiliate links from one website to another.
