~~About us | A head in the Cloud Agency Bristol~~

By Deepak Jannu 5 Min Read | June 14, 2018. The 2018 CIO Survey finds that the biggest investment for CIOs today is in the cloud, with 70% of enterprises committing to significant or moderate cloud investments. While mobile, artificial intelligence, the Internet of Things, robotic process automation, and virtual reality are all focus areas, cloud spending is a first order priority for both IT executives and business leaders.
