Avid Fast Track Solo - audio interface Specs - CNET

The Fast Track Solo and Duo USB interface are made tough. There are two things that we immediately noticed they have tough aluminum chassis with tough controllers and to add to the build they offer a scratch free finish. The next thing we noticed is the size. This is a portable option that is really very portable.

Here is What You Should Know About the Avid Fast Track Solo

Avid Fast Track Solo Driver (x64) is a Shareware software in the category Home & Hobby developed by Avid. The latest version of Avid Fast Track Solo Driver (x64) is currently unknown.
