The Between Mom & Me - Mother Son Journal. I've known that my son always saves every little note I write to him. He hangs on to every heart shaped post-it that I stick on his laptop screen. But I was not prepared for this. I read through the journal and decided to introduce it to him and start using it this week.

Mom and dad often take differing views when it comes to certain questions of parenting. Where mom might see danger, dad sees a chance to toughen his young charge for the realities of life. But whatever the differences between them, the important thing to remember is that each and every one of us loves both our parents equally - as much as they love us.
