Baby pigs can walk as soon as they are born. They can be born with as many as twelve siblings. Baby pigs are called piglets. Piglets use their strong noses to dig and find food. But did you know that they try to stay clean? Or that they can learn to follow anyone with a food bucket? Read this book to find out more! This title also includes a life cycle diagram, a habitat map, fun facts, a glossary, and more!

Big Pig and Little Pig Houghton Mifflin Harcourt

As heard on BBC Radio 4's Book of the Week 'A delightful and entertaining memoir' Woman and Home When Jacqueline moves to south-west France with her husband, she embraces rural village life and buys two pigs to rear for slaughter. But as she gets to know the animals better, her English sentimentality threatens to get in the way and she begins to wonder if she can actually bring herself to kill them. This is a memoir about that fateful decision, but it's also about the ethics of meat eating in the modern age, and whether we should know, respect and even love the animals we eat. At its heart, this book is a love story, exploring the increasing attachment of the author for her particular pigs, and celebrating the enduring closeness of humans and pigs over the centuries.

**Little Pig has trouble keeping up with his four older—and bigger—brothers and sisters. When a visit to Grandpa's house turns into a rummage through Grandpa's old marching-band instruments, Little Pig is too small to play any of them. But when the disorganized band has a pig-pile mishap, Little Pig has a BIG idea: They could use a leader. David Hyde Costello's warm illustrations and goofy speech-bubble dialogue add giggles galore to this iconic story of little-siblinghood. Perfect for youngests, oldests, and everyone in between!**

**Can't a wolf just get some bacon? Authored by YouTuber Kyle Exum, Trap 3 Little Pigs is a modern twist of the original Three Little Pigs tale. Complimented by the "Trap 3 Little Pigs" song, the story involves a hungry wolf who just needs an entree for his dinner date, as well as three intelligent and athletic pigs. Although the story is structured as a children's book, the mixture of modern pop culture references and relatable humor is meant to be enjoyed by all ages. The words in this version of the story are modified from the lyrics in the "Trap 3 Little Pigs" song to be friendlier to young readers. **Unlikely pig owners Steve and Derek got a whole lot more than they bargained for when the designer micro piglet they adopted turned out to be a full-sized 600-pound sow! This funny, inspirational story shows how families really do come in all shapes and sizes. In the summer of 2012, Steve Jenkins was contacted by an old friend about adopting a micro piglet. Though he knew his partner Derek wouldn't be enthusiastic, he agreed to take the adorable little pig anyway, thinking he could care for her himself. Little did he know, that decision would change his and Derek's lives forever. It turned out there was nothing "micro" about Esther, and Steve and Derek had actually signed on to raise a full-sized commercial pig. Within three years, Tiny Esther grew to a whopping 600 pounds. After some real growing pains and a lot of pig-sized messes, it became clear that Esther needed much more space, so Steve and Derek made another life-changing decision: they bought a farm and opened the Happily Ever Esther Farm Sanctuary, where they could care for Esther and other animals in need. Funny, heartwarming, and utterly charming, Esther the Wonder Pig follows Steve and Derek's adventure--from reluctant pig parents to farm-owning advocates for animals. How Big Is a Pig?

Big Pig and Piglet

It was time for the three little wolves to go out into the world, so they set off and built themselves a splendid brick house. But they hadn't reckoned on the big bad pig coming along with a sledgehammer...

Little Pig has a present for Big Pig but can't seem to get it wrapped without entangling himself and all his animal friends in paper and sticky tape.

The sister of the Three Little Pigs comes to visit and tries to persuade her brothers, who have been hermits since an episode with a wolf, to overcome their fears and go outside. Full color.

Satisfying both as a story and as an exploration of story, The Three Pigs takes visual narrative to a new level. When the wolf comes a-knocking and a-puffing, he blows the pigs right out of the tale and into a whole new imaginative landscape, where they begin a freewheeling adventure as they wander-and fly-through other stories, encountering a dragon and a cat with a fiddle, among others. This familiar tale will never be the same old story again.
