## **My Little Pony**

**New York Times bestselling author David Horowitz is famous for his conversion from 1960s radicalism. In A Point in Time, his lyrical yet startling new book, he offers meditations on an even deeper conversion, one which touches on the very essence of every**

**human life. Part memoir and part philosophical reflection, A Point in Time focuses on man's inevitable search for meaning—and how for those without religious belief, that search often leads to a faith in historical progress, one that is bound to disappoint. Horowitz agrees with**

**Marcus Aurelius, whose stoic philosophy provides a focal point for the book, “He who has seen present things has seen all, both everything that has taken place from all eternity and everything that will be for time without end....”**

**In The Lost Ways you'll find the long**

**forgotten secrets that helped our ancestors survive famines, wars, economic crises, diseases, droughts, and anything else life threw at them.**

**Understanding teachers' professional identities and their development is key to unpacking teachers' professional lives, the quality of their instruction,**

**their motivation and commitment to teach, and their career decision-making. This book features a number of scholars from around the world who represent a variety of disciplines, scientific paradigms, and inquiry methods in researching teacher identity. By bringing these chapters together,**

**this volume initiates active scholarly conversations and extends the boundaries of teacher identity research and practice. This collection of chapters provides significant insight into teacher identity and will be essential reading for pre-service and in-service teachers, teacher educators, school**

history and culture. Drawing on the**

**newest and most sophisticated historical research and scholarship in the field, Modern South Asia is written in an accessible style for all those with an intellectual curiosity about the region. After sketching the pre-modern history of the subcontinent, the book concentrates on the last three centuries**

**from c.1700 to the present. Jointly written by two leading Indian and Pakistani historians, it offers a rare depth of historical understanding of the politics, cultures and economies that shape the lives of more than a fifth of humanity. In this comprehensive study, the authors debate and challenge the**

**striking developments in contemporary South Asian history and historical writing. The book provides new insights into the structure and ideology of the British raj, the meaning of subaltern resistance, the refashioning of social relations along lines of caste, class, community and gender, the different**

**strands of anti-colonial nationalism and the dynamics of decolonization. This book is a work of synthesis and interpretation covering the entire spectrum of modern South Asian history - social, economic and political.
