*Black Dogs* Ian Mcewan

*Black Dogs* is a 1992 novel by the British author Ian McEwan. It concerns the aftermath of the Nazi era in Europe, and how the fall of the Berlin Wall in the late 1980s affected those who once saw Communism as a way forward for society. The main characters travel to France, where they encounter disturbing residues of Nazism still at large in the French countryside.

*Black Dogs* (1992) is McEwan's fifth novel. In the middle of it we find the narrator, Jeremy, travelling to Berlin with his father-in-law to join the crowds watching the Wall collapse. In the festive air something else is brewing, though.

*Book club: Black Dogs*, by Ian McEwan - The Church Times

*Black Dogs* is 1992 historical novel by the British author Ian McEwan. The story is fictional, but it's presented as the non-fictional memoirs of two idealistic British communists who live through the aftermath of World War II and the fall of the Berlin Wall. The novel has themes of love, faith, and political ideology, as viewed through the eyes of a married couple as they travel through the cities of Europe.

*Black Dogs* Summary | SuperSummary

As in McEwan's last novel, *The Innocent* (1990), the Berlin Wall plays an important symbolic role in this fictional meditation on evil&#8212;a pseudo-memoir written from a post-cold-war perspective. The narrator, orphaned in his youth, has always been infatuated with his friends' parents and with the "comfort and the conventions of his elders." After a lifetime of leaving places and people, he ...
