SHORTLISTED FOR THE ORANGE PRIZE 2009 In a prison cell in the US, a man stands trembling, naked, fearfully waiting to be shipped to Guantánamo Bay. How did it come to this? he wonders... August 9th, 1945, Nagasaki. Hiroko Tanaka steps out onto her veranda, taking in the view of the terraced slopes leading up to the sky. Wrapped in a kimono with three black cranes swooping across the back, she is twenty-one, in love with the man she is to marry, Konrad Weiss. In a split second, the world turns white. In the next, it explodes with the sound of fire and the horror of realisation. In the numbing aftermath of a bomb that obliterates everything she has known, all that remains are the bird-shaped burns on her back, an indelible reminder of the world she has lost. In search of new beginnings, she travels to Delhi two years later. There she walks into the lives of Konrad's half-sister, Elizabeth, her husband James Burton, and their employee Sajjad Ashraf, from whom she starts to learn Urdu. As the years unravel, new homes replace those left behind and old wars are seamlessly usurped by new conflicts. But the shadows of history - personal, political - are cast over the entwined worlds of the Burtons, Ashrafs and the Tanakas as they are transported from Pakistan to New York, and in the novel's astonishing climax, to Afghanistan in the immediate wake of 9/11. The ties that have bound them together over decades and generations are tested to the extreme, with unforeseeable consequences. Sweeping in its scope and mesmerising in its evocation of time and place, *Burnt Shadows* is an epic narrative of disasters evaded and confronted, loyalties offered and repaid, and loves rewarded and betrayed.

When rock and roll first burst onto the scene in the 1950s, it was more than a new form of music—it was a rebellion against the past. With the music of such artists as Elvis Presley, Buddy Holly, Little Richard, and the Supremes came a new attitude that allowed fans—many of them young—to look past the social norms of the time, a shift that included a greater interaction with and understanding between the races. This stunning, story-filled volume examines the phenomenon of rock and roll—the way it was before it crept into the mainstream it had once retaliated against—and the many musicians who made it into an art.

South-West England, 1812. England is at war with America and when two hundred and fifty American prisoners-of-war arrive at Dartmoor prison, it is already overcrowded with French prisoners. Among the newcomers is Lieutenant Pilgrim Penn, an American merchant seaman, who soon falls in love with a local girl at a market held inside the prison walls. The inmates fight amongst themselves, despite their common enemy and the Americans are a particularly troublesome group. When the governor's daughter becomes romantically involved with one of them, he orders his soldiers to open fire during a minor disturbance, even though the war has ended and personal revenge is suspected as his true motivation.

If you are holding this book, there's a chance you may be at a crossroads in your life, as once the author of this book was. Feeling stuck and overwhelmed by society's pressures, how can we learn, in today's fast paced and results driven world, to truly dream beyond shadows? Having touched the hearts of readers across the globe, Dream Beyond Shadows has now been published in its second edition, to celebrate the raw and compelling art of storytelling inscribed in its pages. This book chronicles a turning point in the author's life, a moment when he decided to turn against the current of his life and move in the opposite direction of social expectations and his own conditioned fears. It's the story of an adventure that leaves behind the hustle and bustle of New York City, winds along the Ayahuasca vine through the tribal magic of shamanic ceremonies in the Amazon jungle, into the Incan legacy of Peru's Sacred Valley and the sublime energy of the megalithic Machu Picchu. The author wrote this book to share that it's possible for anyone to break away from time-bound limitations and relinquish the grip of the past. We can all take that first step, to embrace this extraordinary life in all its darkness and beauty—beyond the land of shadows. This is the extended and annotated edition including * an extensive biographical annotation about the author and his life The Homilies of St. Chrysostom on St. Matthew were undoubtedly delivered at Antioch (see Hom. vii. p. 43) and probably in the latter part of the time during which he preached as a Presbyter. Montfaucon considers his little mention of the sin of swearing a sign of his accomplished some reformation on that point by his previous exertions. In the Homilies delivered from 386 to 388, it is a constant topic; and the Homilies known to belong to that date are so numerous, as scarcely leave room for such a series as the present. These, however, contain very little to mark the period to which they belong. The argument from his reference to dissensions some time gone by, possible those between St. Meletius and Paulinus and Evagrius, in commenting on St. Matt. xxiii. 6. is not very conclusive. A modern reader must sometimes be struck with finding in St. Chrysostom a kind of criticism, which we are apt to think belongs only to later times. His main object, however, is moral, and he searches out with diligence both the meaning and the applications of particular passages, usually concluding with an eloquent exhortation to some special virtue. Some of the most remarkable of these exhortations are on the subject of Alms-giving, which he seems to have pressed with some success at last. His calculation in Hom. lxvi as to what might be done, is somewhat curious. In the end of Hom. lxxxviii. he demands a reformation as the condition of his entering on the controversy with Infidels. In the next Homily he discusses the evidence of the Resurrection with nearly the same arguments as would still be used against an objector.

Seldom, if ever, has a writer been given access to a former major drug dealer in the Mafia underworld and three generations of family members that followed. After nearly two years of interviews and subsequent research, it has been discovered that a close

relative of the family was one of the most powerful figures in the Mafia from the 1940s to the mid 1990s, yet his identity until now has never been revealed. He was the consigliere for all of the American Mafia. The book tells in detail the life and times of a family who escaped the threat of Fascism in Sicily at the turn of the century and the rise of one of the children to a major figure in the Mob. Another sibling returned from a tragic life in an orphanage only to become an adept criminal. He ultimately spent twenty years off and on in prison with the Whos Who of the Mafia, men who became friends and had secret stories to tell. After prison, he became one of the pioneers of Off Off Broadway in NYC and later was responsible for the regeneration of Little Italy in the Lower East Side of NYC. The book details the influence and protection afforded later generations of the family to this day. It offers a unique insight into the real life of people during this 100 year period. Myths about the Mob are disclosed and inaccuracies in the history of the Mafia are corrected. It is a very compelling epic true story. It is a book you will not be able to put down. Welcome to the world of noir musical films, where tormented antiheroes and hard-boiled musicians battle obsession and struggle with their music and ill-fated love triangles. Sultry divas dance and sing the blues in shrouded nightclubs. Romantic intrigue clashes with backstage careers. This book explores musical films that use film noir style and bluesy strains of jazz to inhabit a disturbing underworld and reveal the dark side of fame and the American Dream. While noir musical films like *A Star Is Born* include musical performances, their bleak tone and expressionistic aesthetic more closely resemble the visual style of film noir. Their narratives unfold behind a stark noir lens: distorted, erratic angles and imbalanced hand-held shots allow the audience to experience a tortured, disillusioned perspective. While many musicals glamorize the quest for the spotlight in Hollywood's star factory, brooding noir musical films such as *Blues in the Night*, *Gilda*, *The Red Shoes*, *West Side Story*, and *Round Midnight* stretch the boundaries of film noir and the musical as film genres collide. Deep shadows, dim lighting and visual composition evoke moodiness, cynicism, pessimism, and subjective psychological points of view.

To pioneering settlers, Oregon is the "promise land". To the Rogue Indians, it is home. *Dark Water* is the keeper of her tribe's history. Pregnant, she searches for her missing husband. When she finds him dead, murdered by the whites, her labor pains begin. Barr Conner, a loner, has been hired to protect the local miners. Once enslaved by the Rogues, Barr knows how they think and despises them all. But he can't turn his back when he comes upon *Dark Water* in labor. Or walk away from her tears when the child is stillborn. The divided worlds in which *Dark Water* and Barr live forbid what is starting to grow between them. Now they must fight for survival, fight to reconcile their pasts, their different beliefs, and ways of life. Or deny the happiness that lies just beyond reach. REVIEWS: "A beautiful love story; sensitive, hard-hitting on the emotions, with a unique compassion for Indian tradition." ~Catherine Anderson, *New York Times* bestselling author "A powerful, and unusual love story told with grace, authority, and compassion." ~Susan Wiggs, *New York Times* bestselling author *THE SOUL SURVIVORS SERIES*, in series order *Seminole Song Spirit of the Eagle Wind Warrior The River's Daughter*
