Brilliance The Six Steps

An impactful book elaborating on six sequential steps that enable you to structure a creative and innovative solution through the use of 'borrowed brilliance'. With examples drawn on from history it becomes evident that success doesn't only originate from pure innovation but can be the fusion of two contradicting ideas.

Step Six: Enhancing. Eliminate the
weak points while enhancing the
strong ones. Ideas evolve through trial
and error. They self-organize. Return
to the first five steps to make or adjust
your idea: re-define; re-borrow; re-
combine; re-incubate and re-judge it
all.
