Written in the same period as *On Liberty*, shortly after the death of Mill's beloved wife and fellow thinker Harriet, *The Subjection of Women* stresses the importance of equality for the sexes. Together, the works provide a fascinating testimony to the hopes and anxieties of mid-Victorian England, and offer a compelling consideration of what it truly means to be free. Drawing on recent insights from postcolonial theory and social psychology, Travis B. Williams seeks to diagnose the social strategy of good works in 1 Peter by examining how the persistent admonition to "do good" is intended to be an appropriate response to social conflict. Challenging the modern consensus, which interprets the epistle's good works language as an attempt to accommodate Greco-Roman society and thereby to lessen social hostility, the author

demonstrates that the exhortation to "do good" envisages a pattern of conduct which stands opposed to popular values. The Petrine author appropriates terminology that was commonly associated with wealth and social privilege and reinscribes it with a new meaning in order to provide his marginalized readers with an alternative vision of reality, one in which the honor and approval so valued in society is finally available to them.
