Bernard Tschumi/Senith de Nouen

Source Books in Architecture

Business Law and the Legal Environment, Standard Edition

"Including an exhaustive presentation of sketches, models, computer renderings, working drawings, and photographs of the construction process and the finished work, this book documents the project at a level of detail that allows complete and careful study from its conception to its completion. This in-depth graphic presentation is accompanied by commentaries from the architect, as well as series editors Jeffrey Kipnis and Todd Gannon, that further explore both the cultural and technical significance of this important building."--BOOK JACKET.

Using an innovative storytelling style to bring cases and legal concepts to life, INTRODUCTION TO BUSINESS LAW, 5E presents a full range of business law topics in a series of brief, quick-reading chapters. The text delivers succinct coverage of core business law topics, emphasizes the business applications of chapter concepts, and includes summarized cases to illustrate the point of law.

The fifth edition includes all-new chapters on LLCs and employment discrimination, new Case Questions, and a new emphasis on social media issues throughout. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Susan Marcus Bends the Rules

Studyguide for Business Law and the Legal Environment for a New Century, Alternate Edition by Beatty, Jeffrey F., ISBN 9780324016581

Business Law and the Legal Environment

You wouldn't even know there was a war on, thinks Susan Marcus as she surveys her new neighborhood in Clayton, Missouri. There are no air raid wardens, no blackout curtains. It's so different from her old home in New York City: no tall apartment buildings, no bustling city streets. Susan can barely understand people, their accents are so thick, and of course everyone in Clayton is a St. Louis Cardinals fan and sworn enemy of Susan's beloved New York Yankees. Worst of all, for the first time in her life, ten-year-old Susan encounters prejudice -- against New Yorkers, Jews, blacks, and the Japanese. She must be circumspect about her friendship with Loretta (the daughter of the black janitor), for Jim Crow laws still exist in 1943 Missouri. Outraged, Susan decides to strike a blow against them. She's not going to break the rules exactly; she's just going to bend them.

With Beatty and Samuelson's exciting fourth edition of LEGAL ENVIRONMENT, today's students are given personal experience in applying legal concepts to real-life issues using practical exercises found throughout the text. From the very first chapter, the authors' superb writing fascinates, drawing students into the concepts of business law within the context of vivid examples and memorable scenarios. No other text is as effective at equipping future business leaders with the knowledge and tools to anticipate the challenges that await them. LEGAL ENVIRONMENT, Fourth Edition teaches students why business law matters not only to their careers but also to their daily lives. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

No other text conveys such a passion for this exciting and profoundly important discipline. This comprehensive text meets all AACSB curriculum standards, while providing excellent CPA exam preparation. A focus on human conflict makes the book sparkle. Innovative, story-telling pedagogy; fascinating cases; and business applications create student interest, while cases are summarized in the authors' own words. The result is a business law text that is authoritative and accurate, yet a pleasure to read.

Business Law and the Legal Environment, Volume 2

Business Law for a New Century

The best way to understand legal concepts is through hands-on application, and with Beatty and Samuelson's exciting new edition of BUSINESS LAW AND THE LEGAL ENVIRONMENT, today's students are given personal experience applying the law to real-life issues throughout the text, equipping future business leaders with the knowledge and tools to anticipate the challenges that await them. From the very first chapter, the authors' superb writing fascinates, drawing students into the concepts of business law within the context of vivid examples and memorable scenarios. No other text is as effective at helping students learn how to apply concepts and contexts to their practice, and in teaching them why business law matters not only to their careers but also to their daily lives. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Aimed at professionals in market research and journalism as well as researchers, academics and students, this handbook is both an encyclopedia providing discussions of methodological issues and a story of a particular tale of interviewing.

Discover the business law book you will enjoy reading with Beatty/Samuelson/Abril's INTRODUCTION TO BUSINESS LAW, 7E. Readers comment that this is the best introduction to law they have ever read and they had no idea law could be so interesting. This book uses conversational writing to explain complex topics and even emerging legal trends in easy-to-understand language. With 75 years of combined teaching experience, these authors know how to clearly explain topics and keep your interest. Because the authors actually practiced law before they became teachers, they also describe how theories of law actually work in everyday business practice. This edition is packed with current examples and real-life scenarios relevant to daily life - from marijuana contracts and executive compensation to the impact of Covid-19 and #MeToo in the workplace. Gain an understanding of today's business law topics and their impact on your life with this engaging book. From bestselling writer David Graeber—"a master of opening up thought and stimulating debate" (Slate)—a powerful argument against the rise of meaningless, unfulfilling jobs...and their consequences. Does your job make a meaningful contribution to the world? In the spring of 2013, David Graeber asked this question in a playful, provocative essay titled "On the Phenomenon of Bullshit Jobs." It went viral. After one million online views in seventeen different languages, people all over the world are still debating the answer. There are hordes of people—HR consultants, communication coordinators, telemarketing researchers, corporate lawyers—whose jobs are useless, and, tragically, they know it. These people are caught in bullshit jobs. Graeber explores one of society's most vexing and deeply felt concerns, indicting among other villains a particular strain of finance capitalism that betrays ideals shared by thinkers ranging from Keynes to Lincoln. "Clever and charismatic" (The New Yorker), Bullshit Jobs gives individuals, corporations, and societies permission to undergo a shift in values, placing creative and caring work at the center of our culture. This book is for everyone who wants to turn their vocation back into an avocation and "a thought-provoking examination of our working lives" (Financial Times).
