Carbohydrates Answer Marks 1. a. Any three from: -respiratory substrates - provides energy - stores energy - Glycoproteins/ receptors - builds macromolecules b. Monosaccharide c. When two monomers become bonded together through the removal of a molecule of water i) Glycosidic bond ii) - glucose -galactose -sucrose 3 marks 1 mark 1 mark 1 mark

AQA, OCR, Edexcel A Level A Level Biology

Carbohydrates can be classified into three groups determined by how many units they are made of, as seen in the flow diagram below: Larger carbohydrates, such as sucrose and starch, are made from monosaccharides. The monomers of carbohydrates are known as monosaccharides and glucose, galactose and fructose are three common examples.

Carbohydrates – A Level Biology AQA Revision – Study Rocket

Lots of exam questions and mark schemes (and examiners reports where possible) for AQA A Level Biology 3.1.2 Carbohydrates; Questions from current spec papers as well as those that are relevant from old spec papers; Could be used as an activity in class, given as homework, or for revision

1.2 Carbohydrates (glucose, cellulose, starch, glycogen ...

Carbohydrates 1. Carbohydrates exist in body as both monomers and polymers and carry out a number of essential functions. a. Identify three uses of carbohydrates in organisms. (3 marks) b. What is the scientific term for a carbohydrate monomer? (1 mark) c. What is a condensation reaction? (1 mark)

AQA, OCR, Edexcel A Level A Level Biology

SURVEY. 20 seconds. Q. What elements make up carbohydrates? answer choices. Carbon, hydrogen, nitrogen, oxygen. sulfur, carbon, hydrogen. glucose and fructose. carbon, hydrogen, oxygen.

Carbohydrates | Organic Chemistry Quiz - Quizizz

11. One of the following will answer “Molisch test”... a) Protein b) Lipids c) Mucoproteins d) Flavo proteins. 12. The red precipitate formed when glucose is heated with “Benedict’s reagent” is... a) Cupric hydroxide b) Cuprous hydroxide c) Cupric oxide d) cuprous oxide. 13. Digitonin is a a) Protein b) Glycoside c) Lipid d) Alkaloid. 14.

MCQ on Carbohydrates for competitive Examinations (Check ...

Test prep MCAT Biomolecules Carbohydrates. Carbohydrates. Practice: Carbohydrate questions. This is the currently selected item. Carbohydrates - naming and classification. Carbohydrates - absolute configuration, epimers, common names. Carbohydrates - Cyclic structures and anomers. Carbohydrates- di and polysaccharides.

Carbohydrate questions (practice) | Khan Academy

Carbohydrates are also known as sugars (starches, cellulose and other substances are also carbohydrates). Carbohydrates are polyhydroxy aldehydes or polyhydroxy ketones (polyalcohol aldehydes or polyalcohol ketones). Polyhydroxylated aldehydes are called aldoses and polyhydroxylated ketones are called ketoses. More Bite-Sized Q&As Below

Carbohydrates - Biology Q&As

At SeeTheSolutions.net, we provide access to the best-quality, best-value private tutoring service possible, tailored to <it>your</it> course of study. It's simple: each one of our tutorial videos explains how to answer one of the exam questions provided.

Carbohydrates - Practice Exam Questions | SeeTheSolutions ...

Take 2ml of given sample solution in a clean test tube. Add 2 ml of Fehling’s solution A and Fehling’s solution B to it. Keep the solution in a boiling water bath for about 10 minutes. If there is the formation of red precipitate then the presence of carbohydrate is confirmed.

Tests of Carbohydrates - Chemistry Practicals Class 12

Answer: Carbohydrates are one of three macronutrients. (The other two are protein and fat). They contain carbon, hydrogen, and oxygen atoms. Carbohydrates provide most of the energy that we need in our daily lives, both for normal body functions such as our heartbeats, breathing, and digestion and actual physical activity like exercise.

5 Questions and Answers about Carbohydrates - Food and ...

About this quiz: All the questions on this quiz are based on information that can be found at Biology: Carbohydrates . Instructions: To take the quiz, click on the answer. The circle next to the answer will turn yellow. You can change your answer if you want. Once you have answered all the questions, click the "Done" button below the questions.
