Casamba - YouTube

Casamba University is a free program that gives Therapy Schools and Registry Staffing agencies access to Casamba solutions for EMR training. Casamba University fully mimics real-world clinical documentation and billing settings, giving students hands-on experience with the processes they will encounter in their careers.

Casamba University - Casamba

Casamba EMR solutions are designed to maximize both business and clinical success for providers in post-acute healthcare settings. Our goal is to simplify and automate tasks and workflows, alleviating the time demands and stress of operational and administrative processes, leaving more time and energy to focus on quality patient care.

Practice Management & Medical Billing Software - Casamba

Casamba HomeTherapy™ allows users to receive electronic referrals and communicate with a patient's entire care team all from one site. Because it's fully-integrated into Casamba Skilled, HomeTherapy helps users to operate more efficiently, grow their business and deliver better overall patient care.

Nursing Home Software | Skilled Nursing Software - Casamba

Casamba's model supports evidenced-based care and assists with managing today's reimbursement models. It increases consistency of care, helps assess how much therapy is medically necessary, assists with cost containment and offers a methodology to track outcomes critical to the development of the therapy program. Document at the Point of Care
