~~Communication B En Cultures~~

~~Communication B En Cultures At its most basic, communication is the exchange of information and meaning. We are constantly communicating, in a wide range of different contexts, such as with each other (interpersonal communication), with different cultural groups or subgroups (intercultural communication), or to large audiences (mass communication), just to name a few.~~

~~Communication B En Cultures - atcloud.com~~

~~At its most basic, communication is the exchange of information and meaning. We are constantly communicating, in a wide range of different contexts, such as with each other (interpersonal communication), with different cultural groups or subgroups (intercultural communication), or to large audiences (mass communication), just to name a few. However, to understand communication, we need to understand the place of communication in culture.~~

~~Another dimension (Hall, 1983) whose understanding may help cross-cultural communication is time. Monochronic cultures with a preference for one thing at a time value punctuality highly. They adhere religiously to plans, meet deadlines, show respect for private property and are concerned about not disturbing others. Polychronic cultures~~

~~CULTURE AND COMMUNICATION~~

~~Intercultural communication is a discipline that studies communication across different cultures and social groups, or how culture affects communication. It describes the wide range of communication processes and problems that naturally appear within an organization or social context made up of individuals from different religious, social, ethnic, and educational backgrounds. In this sense, it seeks to understand how people from different countries and cultures act, communicate and perceive the~~

~~Intercultural communication - Wikipedia~~

~~Communicating across cultures is challenging. Each culture has set rules that its members take for granted. Few of us are aware of our own cultural biases because cultural imprinting is begun at a very early age. And while some of a culture's knowledge, rules, beliefs, values, phobias, and anxieties are taught explicitly, most of the information is absorbed subconsciously.~~
