A group of Community  
Choice Aggregators  
(CCAs) in California,  
US, are seeking long-  
duration energy storage  
to add resiliency to their  
electricity networks  
serving around three  
million customers. Eight  
CCAs have jointly  
issued a Request for  
Offers for up to 500MW  
of long-duration storage  
that can charge up from
