Trails of the Great War 1914 - 2014: The First World War and Political Violence in the 20th Century The Southern Genocide by Thomas Fleming The Canadians: Northrop Frye Croatia A Nation Forged In

This book tells the story of the Croats and the country we now call Croatia over a vast period of more than a thousand years. It is a history of a people and region little known

or thought about in the west until the twentieth century. It is a violent tale, and the subtitle of the book - A Nation Forged in War - is very apt.

Croatia: A Nation Forged in War by Tanner, Marcus (2010 ...

From the ashes of former Yugoslavia an independent Croatian state has arisen, the fulfillment, in the words of President Franjo Tudjman, of the Croats' 'thousand-year-old dream of independence'. Yet few countries in Europe have been born amid such bitter controversy and bloodshed: the savage war between pro-independence forces and the

Yugoslav army left about one-third of the country in ruins and resulted in the flight of a quarter of a million of the country's Serbian minority.
