100,000th New DAF CF and XF - DAF TrucksDaf The Daf Cf Series

The DAF CF is suited to regional, national or international transport, smooth roads or rough terrain. It ' s all the same to the DAF CF series, available either as a tractor or rigid chassis in two, three or four axle configurations. Built to handle the demands of intensive use, this multifunctional truck is a top performer in every application – from bulk or tank transport to heavy-duty work in the construction industry and from garbage collection to general distribution.

DAF CF | DAF Trucks | Truck Servicing | Truck Parts

The DAF CF delivers industry-leading fuel economy. Higher torque at lower revs combined with optimised drivelines, new high-efficiency rear axles, enhanced electronics and aerodynamic improvements result in increased fuel efficiency of up to 7% for long haul journeys. Fuel savings that help reduce your total cost of ownership. 0
