This book makes available to students and scholars of Spanish Golden Age Drama a carefully prepared semi-critical edition and verse translation of Tirso de Molina’s Herod play, a little known masterpiece fusing the two Herods - the historical protagonist of Jewish and Roman history whose life is narrated by Flavius Josephus in "Antiquities of the Jews" and the tyrant-ogre depicted in Biblical and liturgical sources - into a tragic protagonist of archetypal dimensions, a vegetation daimon or year-spirit whose life history prepares the way for the more sublime year-spirit whose nativity and epiphany coincide with Herod’s ritual implosion at the end of the play. Professor Fornoff’s introduction and notes show us how to read through the plot to the sacramental action which it signifies.

The first English translation of Maria de Nagłowska’s treatise on advanced sexual magic practices, Le mystère de la penaison • Details Nagłowska’s advanced occult teachings on the Third Term of the Trinity and the spiritually transformative power of sex • Explains the mystical erotic hanging rituals of La confrérie de la Flèche d’Or [The Brotherhood of the Golden Arrow], the notorious occult order of 1930s Paris • Continues the sexual initiatory teachings first expounded in Nagłowska’s The Light of Sex Available for the first time in English, Advanced Sex Magic illuminates the revolutionary occult teachings of Maria de Nagłowska–Russian mystic, esoteric high priestess, and self-styled “Satanic Woman” of 1930s Paris. Her religious system, called the Third Term of the Trinity, considered the Holy Spirit (or Wholesome Spirit) to be feminine and taught the importance of sex for the regeneration of the world and the uplifting of humanity. A complement to her The Light of Sex, this book on the hanging mystery initiation details her advanced teachings on the Third Term of the Trinity and the spiritually transformative power of sex and reveals the erotic ritual hanging and other sensory deprivation practices of her magical group, La confrérie de la Flèche d’Or [The Brotherhood of the Golden Arrow]. These advanced mystical sexual practices were required for initiation into the brotherhood, and, as Nagłowska shows, only through the union of the masculine and the feminine can we bring about a reconciliation of the light and dark forces in nature.

Restores Gawain of Camelot to his true role as the foremost representative and servant of the Goddess. • The full story of Gawain of Camelot that restores a lost piece of the great Arthurian tapestry. • Traces the historical trends that demoted Gawain from the foremost knight of the Round Table to a villain and womanizer. • The result of more than 20 years of research by one of the world's leading scholars of Arthurian mythology, Sir Gawain, the nephew of King Arthur, was once the most important knight at Arthur's court, a shining example of all that was best in chivalry. He even outranked the famous Lancelot. Yet as the popularity of the Arthurian romances grew, the character of Gawain became increasingly diminished in popular literature. John Matthews explores the phenomenon that influenced the recasting of Gawain from hero to womanizing villain, providing a scholarly context through which Gawain's role as the representative of the Goddess upon Earth--the real Green Knight of Camelot and Sovereignty's Champion--may be restored. In addition, the author presents a unique view of the mythology of Britain and its connections with the historical changes that took place over many hundreds of years in the religious and mystical traditions of the country.

In Sacred Sexual Union, Anaiya Sophia shows this Holy Marriage, complete reunification with your Twin Soul and God, is not a secret reserved for the initiated or a tradition lost to the ages. It is a potent, living spiritual path enabling two beloveds to experience the primordial state of creation as one soul blessed by the Divine Light and Love of their Creator. Drawing on teachings from Gnosticism, Sufi mysticism, the Kabbalah, Kundalini yoga, sexual shamanism, the Egyptian Mystery Schools, and Christ Consciousness, the author reveals the complete alchemical process of Sacred Union. She provides physical, meditative, and psychological practices that combine sacred sexuality, emotional intimacy, and transparent soul awareness to awaken the magnetic energies of your soul, draw your Twin Soul to you, and, with Twin Souls reunited, experience the passionate rapturous remembrance of becoming one with God. She explores ancient writings and rituals of Sacred Union--known as Hieros Gamos in ancient Sumeria, Sacred Marriage in the Kabbalah, Yab Yum in Tibetan Buddhism, and the Bridal Chamber in Gnostic Christianity--and offers examples of Sacred Union throughout the ages, including experiences from her own spiritual journey. More than a meditative or yogic practice, Sacred Sexual Union offers a transformative spiritual path to embrace the threefold flame of Power, Love, and Wisdom and satisfy your soul's longing for wholeness and reunion with the Divine.

This book centres on Webcam Child Sex Tourism and the Sweetie Project initiated by the children’s rights organization Terre des Hommes in 2013 in response to the exponential increase of online child abuse. Webcam child sex tourism is a growing international problem, which not only encourages the abuse and sexual exploitation of children and provides easy access to child-abuse images, but which is also a crime involving a relatively low risk for offenders as live-streamed webcam performances leave few traces that law enforcement can use. Moreover, webcam child sex tourism often has a cross-border character, which leads to jurisdictional conflicts and makes it even harder to obtain evidence, launch investigations or prosecute suspects. Terre des Hommes set out to actively tackle webcam child sex tourism by employing a virtual 10-year old Philippine girl named Sweetie, a so-called chatbot, to identify offenders in chatrooms. Sweetie 1.0 could be deployed only if police officers participated in chats, and thus was limited in dealing with the large number of offenders. With this in mind, a more pro-active and preventive approach was adopted to tackle the issue. Sweetie 2.0 was developed with an automated chat function to track, identify and deter individuals using the internet to sexually abuse children. Using chatbots allows the monitoring of larger parts of the internet to locate and identify (potential) offenders, and to send them messages to warn of the legal consequences should they proceed further. But using artificial intelligence raises serious legal questions. For instance, is sexually interacting with a virtual child actually a criminal offence? How do rules of criminal procedure apply to Sweetie as investigative software? Does using Sweetie 2.0 constitute entrapment? This book, the outcome of a comparative law research initiative by Leiden University’s Center for Law and Digital Technologies (eLaw) and the Tilburg Institute for Law, Technology, and Society (TILT), addresses the application of substantive criminal law and criminal procedure to Sweetie 2.0 within various jurisdictions around the world. This book is especially relevant for legislators and policy-makers, legal practitioners in criminal law, and all lawyers and academics interested in internet-related sexual offences and in Artificial Intelligence and law. Professor Simone van der Hof is General Director of Research at t e Center for Law and Digital Technologies (eLaw) of the Leiden Law School at Leiden University, The Netherlands. You’ve heard the lies. Now, learn the truth - if you dare! Prepare yourself for a real eye opener! Take off your rose colored glasses before you read this one, because it is probably the most controversial and revealing book ever written! The truth is more precious than the purest gold, and it has been said: the “truth is stranger than fiction”. The latter is very true in Satan’s world of lies and deception, as will be revealed, for this book shakes the very foundations of most world religions, age old philosophies, and creation theories. However, only the emotionally mature, the truly open minded, and the intellectually brave should explore this book, for the knowledge obtained can alienate as well as enlighten those who discover these truths! There is much truth to be found in these pages, but this book was not written for the masses but for the “few who seek” and love the truth more than their own lives! We are now in The End of Days! The last five years of increase in intensity and number of hurricanes, tornadoes, droughts, and floods (caused mostly by global warming!) plus a significant increase in famine, incurable diseases, terrorism, and instability in the Middle East attest to that conclusion! It’s time for the truth in religion, politics, UFO’s, extraterrestrials, creation theories, and the future of mankind and Planet, Earth! Lies and myth have been perpetuated throughout the centuries. With the dawning of a new era, it is time the predestined purpose and nature of humanity and the true identity and nature of The Creator be revealed to those who desire and seek it. The reader will discover how Satan “has deceived the whole world” through false teachers and mistranslation. Evolution and Creationism (or Creation Science) along with other scientific methods are merged into an easy to understand synthesis, for both have some validity in the creation of the universe. “The straight and narrow way” that leads to eternal life is made plain and easy to understand, and it is the same religion found in The Messiah’s message expressed nearly 2000 years ago, which, believe it or not is not and was not: Christianity, Islam, Hinduism, Buddhism, Taoism, nor most versions of Judaism! The Creator is described as all knowing and omnipotent in spirit as well as in physical and scientific terms. For example, he and his host have the power to appear and disappear as Spirit Beings, or they can choose to take physical form and travel about the universe in their “chariots of fire” via wormholes at incredible speeds. Time and space are of no consequence to The Eternal One and his Heavenly Host, for they have long ago conquered both. They rule and nurture all life in the universe and will soon return to rule Planet Earth, when “The Seed” they have planted has come into fruition. At his Messiah’s coming, his “clouds of glory” will be so numerous, “the sun will be darkened and the moon will not shed its light”! Earthquakes, floods, droughts, tornadoes, hurricanes, volcanoes, famine, disease, wars, terrorism, and economic woes will continue to increase in intensity and frequency as the Four Horsemen of The Apocalypse come to full gallop as the time of the end approaches. The author predicted the recent increase in terrorism and natural disasters with the first edition of this book in 1996, which was drafted in 1989! Time is running out for man as we know him! A relatively rare breed of human will “inherit the earth” as “The Wheat” described in Matthew 5:3-10 & 13:23 planted as his “seed of righteousness” 6,000 years ago in Adam. NOTE: This book does not call for any violence, Jihad, or “Holy War” against any government or religion. For, “those who live by the sword shall die by the sword”. Vengeance is mine says “The Most High”, and when his “Day of Indignation” has come, rest assured, vengeance will be duly executed! For, “they come from a far country, from the end of Heaven - even the Most High and the weapons of indignation to destroy the whole land” (Isaiah 13:5). “Behold, they shall come with fire and chariots like the whirlwind” (Isaiah 66:15). And what do these chariots look like? Their appearance and their work was as it were a wheel in the middle of a wheel” (Ezek 1:16). Now look again at the front cover! Get the picture - what the “clouds of glory” really look like? The reader will discover the science behind magic and the truth behind myth. This is a last chance calling for those who love truth and are found worthy to be “saved” from the coming destruction and allowed to live in the coming wonderful world and rule with the Messiah for 1000 years. This writing constitutes fulfillment of the prophecy of the “Message of the Kingdom” as correctly translated in Mark 13:10 & Matthew 24:14, which is to be published/preached into all the world” just before The End of The Age.

Chapters include: The Fire Upon the Altar; The Sacred City of Shamballa; The Mystery of the Alchemist; The Egyptian Initiate; The Ark of the Covenant; The Knights of the Holy Grail; and, The Mystery of the Pyramids.

In this headline-making book, Daniel Bergner turns everything we thought we knew about women's desire on its head. Drawing on extensive research and interviews with renowned behavioural scientists, sexologists, psychologists and everyday women, Daniel Bergner asks: - Do women really crave intimacy and emotional connection? - Are women more disposed to sex with strangers or multiple partners than either science or society have ever let on? - And is 'the fairer sex' actually more sexually aggressive and anarchic than men?

In this volume a team of three dozen international experts presents a fresh picture of literary prose fiction in the Romantic age seen from cross-cultural and interdisciplinary perspectives. The work treats the appearance of major themes in characteristically Romantic versions, the power of Romantic discourse to reshape imaginative writing, and a series of crucial reactions to the impact of Romanticism on cultural life down to the present, both in Europe and in the New World. Through its combination of chapters on thematic, generic, and discursive features, Romantic Prose Fiction achieves a unique theoretical stance, by considering the opinions of primary Romantics and their successors not as guiding “truths” by which to define the permanent “meaning” of Romanticism, but as data of cultural history that shed important light on an evolving civilization.SPECIAL OFFER: 30% discount for a complete set order (5 vols.).The Romanticism series in the Comparative History of Literatures in European Languages is the result of a remarkable international collaboration. The editorial team coordinated the efforts of over 100 experts from more than two dozen countries to produce five independently conceived, yet interrelated volumes that show not only how Romanticism developed and spread in its principal European homelands and throughout the New World, but also the ways in which the affected literatures in reaction to Romanticism have redefined themselves on into Modernism. A glance at the index of each volume quickly reveals the extraordinary richness of the series’ total contents. Romantic Irony sets the broader experimental parameters of comparison by concentrating on the myriad expressions of “irony” as one of the major impulses in the Romantic philosophical and artistic revolution, and by combining cross-cultural and interdisciplinary studies with special attention also to literatures in less widely diffused language streams. Romantic Drama traces creative innovations that deeply altered the understanding of genre at large, fed popular imagination through vehicles like the opera, and laid the foundations for a modernist theater of the absurd. Romantic Poetry demonstrates deep patterns and a sharing of crucial themes of the revolutionary age which underlie the lyrical expression that flourished in so many languages and environments. Nonfictional Romantic Prose assists us in coping with the vast array of writings from the personal and intimate sphere to modes of public discourse, including Romanticism’s own self-commentary in theoretical statements on the arts, society, life, the sciences, and more. Nor are the discursive dimensions of imaginative literature neglected in the closing volume, Romantic Prose Fiction, where the basic Romantic themes and story types (the romance, novel, novella, short story, and other narrative forms) are considered throughout Europe and the New World. This enormous realm is seen not just in terms of Romantic theorizing, but in the light of the impact of Romantic ideas and narration on later generations. As an aid to readers, the introduction to Romantic Prose Fiction explains the relationships among the volumes in the series and carries a listing of their tables of contents in an appendix. No other series exists comparable to these volumes which treat the entirety of Romanticism as a cultural happening across the whole breadth of the “Old” and “New” Worlds and thus render a complex picture of European spiritual strivings in the late eighteenth and the nineteenth centuries, a heritage still very close to our age.

The authors of the Devi-Bhagavata Puranendeavored to demonstrate the superiority of the Devi over competing masculine deities, and to articulate in new ways the manifold nature of the Goddess. Brown's book sets out to examine how the Puranpursues these ends. The Devi-Bhagavata employs many ancient myths and motifs from older masculine theologies, incorporating them into a thoroughly "feminized" theological framework. The text also seeks to tradition older "masculine" canonical authorities. Part I of Brown's study explores these strategies by focusing on the Puran's self-conscious endeavor to supersede the famous VaisBhagavata Puran. The Devi-Bhagavata also re-envisions older mythological traditions about the Goddess, especially those in the first great Sanskritic glorification of the Goddess, the Devi-Mahatmya. Brown shows in Part II how this re-envisioning process transforms the Devi from a primarily martial and erotic goddess into the World-Mother of infinite compassion. Part III examines the Devi Gita, the philosophical climax of the Puranmodeled upon the Bhagavad Gita. The Devi Gita, while affirming that ultimate reality is the divine Mother, avows that her highest form as consciousness encompasses all gender, thereby suggesting the final triumph of the Goddess. It is not simply that She is superior to the male gods, but rather that She transcends Her own sexuality without denying it.

From the private investigator who cracked open the case that led to the conviction of Warren Jeffs, the maniacal prophet of the polygamous Fundamentalist Church of Latter Day Saints (FLDS), comes the page-turning, horrifying story of how a rogue sect used sex, money, and power disguised under a façade of religion to further criminal activities and a madman's vision. In Prophet's Prey, Brower implicates Jeffs in his own words, bringing to light the contents of Jeffs’s personal priesthood journal, discovered in a hidden underground vault, and revealing to readers the shocking inside world of FLDS members whose trust he earned and who showed him the staggering truth of their lives.

Science fiction, fantasy and horror movies have spawned more sequels and remakes than any other film genre. Following Volume I, which covered 400 films made 1931-1995, Volume II analyzes 334 releases from 1996 through 2016. The traditional cinematic monsters are reprised in new guises, and new creatures are introduced. The Wolf Man, a new Mummy. A new wave of popular series inspired by comics and video games, as well as The Lord of the Rings trilogy, could never have been credibly produced without the advances in special effects technology. Audiences follow the exploits of superheroes like Spider-Man and Thor, and such heroines as the vampire Selene, zombie killer Alice, dystopian rebels Katniss Everdeen and Imperator Furiosa, and Soviet spy turned American agent Black Widow. NUMEROUS volumes have been written as commentaries upon the secret systems of philosophy existing in the ancient world, but the ageless truths of life, like many of the earth's greatest thinkers, have usually been clothed in shabby garments. The present work is an attempt to strip away the veils of mystery and reveal the substance of its pages. To bring about this coalescence of Beauty and Truth has proved most costly, but I believe that the result will produce an effect upon the mind of the reader which will more than justify the expenditure.

The first English translation of Maria de Naglowska's essential treatise on the spiritually transformative power of sex, La lumière du sexe • Reveals mystic sexual practices for growth of the soul and enlightenment • Explains the inner workings of the sex magic rituals of La confrérie de la Flèche d'Or [The Brotherhood of the Golden Arrow], the notorious occult order of 1930s Paris • Translated from the original French with an Introduction and Notes by Donald Traxler • Features elegant French flaps Never before available in English, The Light of Sex expounds the tenets of the revolutionary religious system conceived by Maria de Naglowska--Russian mystic, occultist, esoteric high priestess, rumored lover of Julius Evola, and self-styled "Satanic Woman" of 1930s Paris. Centered on what she called the Third Term of the Trinity, in which the Holy Spirit of the classic Christian trinity is recognized as the divine feminine, her practices aim to bring about a reconciliation of the light and dark forces in nature through the union of the masculine and feminine. Revealing the spiritually transformative power of sex, she shows how--through mystic sexual practices and veneration of the feminine spirit--growth of the soul, regeneration of the world, and enlightenment of humankind can be achieved. This mystic treatise and guide to the sexually charged rituals that were a cause célèbre in 1930s Paris was required reading for those seeking to be initiated into Naglowska's magical group La confrérie de la Flèche d'Or [The Brotherhood of the Golden Arrow]. It reveals Naglowska to be a powerful visionary, whose psychic powers were legendary, and an important figure in the continuing evolution of the Western Mystery tradition.
