

Dr John Dee Spiritual Diaries 1583 1608

What is grace? The answer lies deeper than you might suppose. To understand grace in its fullness, we must explore the great mystery of our very existence. In search of that deep understanding, Essential Grace takes you on an eternal journey. It begins with the mind of God, all alone in eternity past. It consummates in the heights of heaven, where we see God surrounded by the glorious host of His redeemed people. In between, it explores the multi-faceted grace of God poured out on His creation. Powerful and vivid, Essential Grace will open your eyes to the liberating reality of God's grace.

The Sourcework of Dee's Enochian Magic, transcribed from his original manuscript with literally thousands of corrections

A practical guide to Dr. John Dee's angelic magic • Contains instructions for performing Enochian magic meditations • Examines John Dee's original diaries from the British Library Enochian magic is a powerful, ancient system for opening portals to heavenly realms and enabling the ascent to God. The basis for many of the modern systems of magic, including the Golden Dawn, Enochian magic is named after the biblical prophet Enoch, who received the same knowledge and wisdom that was later conveyed to the astrologer to the court of Queen Elizabeth I, Dr. John Dee, by angels in the 16th century. In The Lost Art of Enochian Magic John DeSalvo traces the history of magic--from the earliest civilizations of the Akadians and Egyptians through the Greco-Roman period and up to the present time--to reveal how magic has penetrated and influenced our religious beliefs and practices today. Through his unprecedented investigation into the angelic magic of Dr. John Dee, during which time he deciphered Dee's original phonetic notations in the margins of Dee's 16th-century diaries, DeSalvo learned to properly reproduce the "Enochian calls," which act like mantras in opening higher realms and invoking angels, key to this type of magical practice. DeSalvo shows how to use Enochian magic for personal spiritual development and also as protection from negative energies.

Derived from two previously unpublished seventeenth century manuscripts on angel magic, this coveted book contains the final corrected version of John Dee's great tables and an expansion of his most prized book of invocations. Discover what happened to John Dee's most important manuscript, his book of personal angelic invocations, and how it was developed by seventeenth century magicians into a full working magical system. Learn how only a small part of this material reached the Hermetic Order of the Golden Dawn and was suppressed--never appearing in Israel Regardie's monumental work on the Order rituals.

John Dee's Conversations with Angels

From the Original Manuscripts in the Ashmolean Museum at Oxford, and Trinity College Library, Cambridge

De Heptarchia Mystica, or On the Mystical Rule of the Seven Planets, is a book written in 1582-83 by English alchemist John Dee. It is a guidebook for summoning angels under the guidance of the angel Uriel and contains diagrams and formulae. This book consists of detailed instructions for communicating with angels and employing their aid for practical purposes. Written in the form of a personal Grimoire, or handbook of magic, it consists of excerpts and elaborations from Dee's detailed records of his "mystical exercises" found in *Mysteriorum Libri Quinque*.

Discovered in a hidden compartment of an old chest long after his death, the secret writings of John Dee, one of the leading scientists and occultists of Elizabethan England, record in minute detail his research into the occult. Dee concealed his treatises on the nature of humankind's contact with angelic realms and languages throughout his life, and they were nearly lost forever. In his brief biography of John Dee, Joseph Peterson calls him a "true Renaissance man" detailing his work in astronomy, mathematics, navigation, the arts, astrology, and the occult sciences. He was even thought to be the model for Shakespeare's Prospero. All this was preparation for Dee's main achievement: five books, revealed and transcribed between March 1582 and May 1583, bringing to light mysteries and truths that scholars and adepts have been struggling to understand and use ever since. These books detail his system for communicating with the angels, and reveal that the angels were interested in and involved with the exploration and colonization of the New World, and in heralding in a new age or new world order. While Dee's influence was certainly felt in his lifetime, his popularity has grown tremendously since. His system was used and adapted by the Hermetic Order of the Golden Dawn, and subsequently by Aleister Crowley. This new edition of John Dee's Five Books of Mystery is by far the most accessible and complete published to date. Peterson has translated Latin terms and added copious footnotes, putting the instructions and references into context for the modern reader.

This is the first fully readable edition of Dr. John Dee's Spiritual Diaries. Completely

revamped, reorganized, and corrected, this reader-friendly version of *A True & Faithful Relation of what passed for Many Years between Dr. John Dee . . . and Some Spirits . . .* covers Dee's invocation of the angels and the reception of their Enochian system of magic, his experiments in alchemy, and experiences in the courts of the crowned heads of Europe. Magic scholars and practitioners will be delighted to find a preface by Meric Casaubon, extensive footnotes, supplementary texts, additional illustrations, a Dee timeline, and sections which were originally missing from Casaubon's edition.

The famous journals of Dr. John Dee—Hermetic scholar, royal astrologer, and Renaissance luminary—document his conferences with angels and spirits, the development of the Enochian language, experiments in alchemy, and more. *The Key to the Latin of Dr. John Dee's Spiritual Diaries* translates more than 50,000 Latin words from Dee's diaries. Latin passages and their English equivalent are featured side-by-side on facing pages. This book is an ideal companion to *Dr. John Dee's Spiritual Diaries*, the first reader-friendly, revamped, and corrected edition of *A True & Faithful Relation of what passed for Many Years between Dr. John Dee . . . and Some Spirits . . .* Together, they provide full access to Dee's spiritual diaries from 1583 to 1608.

Dr. John Dee's Spiritual Diary (1583-1608) Second Edition

6" x 9" journal for recording dreams, ideal size for the bedside table/drawer. Have you ever been annoyed by not being able to remember a dream you had? Ever felt like you've had a certain dream before? Write them down so that you don't forget! This notebook is ready to be filled with the wonder of whatever goes on inside your head. You can record up to 100 dreams in your journal, all from the comfort of your own bed! There's ample diary space for:- Dream description- Exploring the details- Drawing or sketching pictures- Reflecting on how you felt What are you waiting for? Get dreaming!

"A wondrous, sparkling fusion of wisdom and insight." - Patricia Santhuff What do the wonderful myths of ancient Greece, the beautiful stories in the Bible and Qur'an, and all the sacred stories from traditions around the world, have in common?

They open our hearts to wonder, mystery, passion, and joy. I know, on the outside these stories seem very different, confusing, conflicting, and often violent and divisive. But when read symbolically and internally, they are all telling the same story. They show us the path of spiritual awakening and enlightenment. Sometimes the story is called "Returning to the Promised Land." Sometimes it's called "Seeking the Holy Grail." Sometimes it's called "Persephone's Return to Olympus." But whatever it's called, the inner meaning and purpose is always the same. The stories are all a call to awaken, to live passionately and consciously, and to enter the door that leads to enlightenment and communion with the divine. The door is always open. The light is always ready to receive us. But we have to learn how to tread the path! Fortunately, that's what all the sacred stories are really about. THE DOOR IS OPEN uncovers the 7 Universal Steps that are found within the symbols and allegories of all great mythology and scripture. Each chapter ends with a series of practical and enjoyable spiritual exercises and activities. You can do this work on your own, or together with a group. It could be a church or synagogue group, a book club, a classroom, or any group of friends who want to get together and expand their spiritual horizons.

They hope you enjoy the global spirituality that permeates the Quantum Journey Training and the accompanying healing music from the CD "The Promise." As you complete the Quantum Journey courses you will begin your personal journey of becoming the temple of white light which you were already were in the Divine Creation - before the world began. You will see yourself and all that surrounds you as the eternal heartbeat of love that has never begun and will never end but is all that it is - NOW. Dr. John Dee's Spiritual Diaries

The Private Diary of Dr. John Dee, and the Catalogue of His Library of Manuscripts

This is not an ordinary biography. It is as much an inner story as an outer one. And someone who has an inner life as rich as Yogi does, naturally provides teachings through the telling of the outer biography. Yogi has dedicated his life to a deep and enthusiastic pursuit of the ancient path of Yoga and Tantra. Unlike many Western interpretations that trivialise these topics, Yogi presents a profound and illuminating journey through this mystical terrain. Yogi Matsyendranath is the Western world's spiritual leader of the Nath Yoga tradition. Born in Bryansk in the USSR, he graduated from Youngdong

University in South Korea and trained in Shri Vidya and Shakta Tantra of Nepal. As well as the Nath tradition, he is an expert in Tantric Puja and Hatha Yoga practice. Author Keith Simons embarked on a personal and interpersonal journey with Yogi in a collaborative creative process. He asked, how did someone born and raised in communist Soviet Union become a leader of Nath Yoga, one of India's oldest spiritual traditions? How did Yogi Matsyendranath become a resident in Australia? After-all, growing up in the atheistic environment of the Soviet Union wasn't exactly conducive to a deep interest and practice of any spiritual path. And Australia is a long way from Russia. I soon began to realise how unusual Yogi's life story was. Interspersed between his life in Russia and becoming a resident of Australia, there were years in other countries, mainly India and South Korea. Yogi is not only an authentic spiritual teacher but also a cosmopolitan citizen in the truest sense. The impressive authenticity and gentle kindness of his character embedded themselves into my daily rhythms of working with him. He was always natural, easygoing and relaxed about how and when we would next meet and so we met as many times as felt necessary to capture the main features of his life story and teachings. I'd never before worked on a draft in this way. There were many challenges in crafting a story in the first person, but on the other hand, the natural empathy I experienced with Yogi helped me to forge ahead with confidence. His aura of fine spiritual qualities never diminished. He was consistently conveying and manifesting authenticity, integrity, wisdom and compassion, and often a delightful childlike humour. His words were penetrating in their simplicity but he could also share difficult and subtle areas of teaching. Such an uprightness and noble persona did Yogi emanate that others often felt in awe of him. His presence naturally and without intention drew attention. This book is dedicated to the spirit of open-minded spiritual research and practice. It is also an example of following one's heart. It is one person's story but in many ways our story too, ordinary and extraordinary at the same time.

An apocalyptic adventure of awakening, madness, and revelation, Sonspot, is the tale of Mac-a coming of age man who is plagued by supernatural nightmares. Fed up with the depraved world he was born in, he asks for death. What he gets is the complete opposite; buried memories of his eternal soul on the Island of Eden and the damnation that follows. With the aid of a magic gum, the mysterious divine flow unfolds before Mac and his best friend, leading them on an adventure through the nine levels of hell; answering one fundamentally scary question that haunts us all to our grave.

The images in this book each represent one of the 12 Spiritual Powers. Each drawing is accompanied by a page of information about the attributes of that power, the disciple associated with it, the color, the body energy point, and any angels, flowers or herbs associated with the power. Consciously using this information allows the essence of each power to become more real, and a powerful tool in our daily lives.

This book is about Elizabethan England's most famous 'scientist' or natural philosopher John Dee and his 'conversations with angels'.

The Lost Art of Enochian Magic

Original Sourcebook of Enochian Magic

Prayer Journal

Many daily devotionals are in very small, bite-sized installments that you can read in three minutes or less. This may be very appropriate for people who are always on the go, and are doing so at God's leading. But such tiny tidbits, while they may be very good and very true, are still pretty small, and as such, have insufficient room to get very deep. As such, they are barely spiritual hors d'oeuvres, let alone a hearty spiritual meal of "strong meat." If you have a bit more time, this devotional is a good alternative. It goes into greater depth and breadth in the Scriptural support and elaboration. You may notice that the list of Scripture references at the bottom of each day's entry is longer than you have seen in other daily devotionals. This is deliberate: You'll be blessed if you read all the Scriptures for each day's devotional, even if two or three passages seem to say the same thing-when the Bible makes similar statements but expresses them slightly differently, the various nuances of meaning are significant and enlightening; they are not merely accidental. There is amazing depth in the Scriptures. . .

A Drop in the Ocean of Love is a collection of personal stories we hope will inspire you, open your heart to greater love, and transform your life. The stories offer a glimpse into struggles that brought about profound transformation for the authors. All seekers committed to the Sufi path of Divine love and healing through purification of the heart, each author shares how the ancient wisdom of the Sufi spiritual teachings brought about life lessons that our souls have come into physical form to learn. If you can relate to any of these struggles, we pray these stories help you to know you are not alone. We pray they help you to know yourself more completely and to know God through your own heart. If you are called to dive into the depths of the Ocean, we hope you may find yourself as a drop containing the entire ocean within you, knowing that you have never been separate, and that you are and always have been one with The Ocean of Love. The authors are all faculty and staff of The University of Spiritual Healing and Sufism and students of Sidi Shaykh Muhammad al-Jamal, who was head of the Higher Sufi Council in Jerusalem and the Holy Land, guide of the Shadhiliyya Sufi Order, and guide of the University of Spiritual Healing and Sufism. Our mission is to spread a message of Peace, Love, Mercy, Justice and Freedom throughout the world.

Now available in a three-volume paperback set, this is a must-have treasure for Dee aficionados and esoteric scholars who absolutely need the most meticulously detailed version of these highly influential works. A labor of love ten years in the making, these volumes include transcripts of four manuscripts from the British Library and one from the Bodleian Library in Oxford. Two of these manuscripts are only available in this set. Each page is laid out to match the original manuscripts, including lines, marks, notations, diagrams, and notes that Dee wrote on the paper. Also includes ten appendices featuring maps, a gazetteer, the 48 Keys, the complete Angelic lexicon, a glossary of archaic words, a manuscript index, and much more. A deluxe three-volume paperback edition of the sold-out limited-edition hardcover set

(9780738752587).

Conflicts, wars, catastrophic climate change and poverty are leading to our destruction. We are not evil people. We just "do not know what we do." To change the course of destruction we need to nurture in each one of us a sense of interconnectedness of life on this planet. We need to understand the position of a person we have differences with. Instead of focusing on what they say or how they behave, we need to explore where they are coming from, their frame of reference, the facts they use, the impact of history, the influence of their vested interest and the context of the system they are a part of. We need to learn to listen to each other with loving investment and compassionate exploration. By detaching from our programming and preconceived positions, we can develop a deeper understanding of each other that brings us closer. This book explores these issues by reviewing catastrophic events in human history, such as the Partition of India, Hitler's Germany and Nine-Eleven. Change Agents, such as community psychologists, psychiatrists, nurses, social workers and organizational development consultants; spiritual leaders; academicians; politicians; and CEOs of business organizations and banks may be particularly interested in reading this book. The only way to have peace is to listen to each other. If people are just trying to convince each other, there will be no peace.

Romancing the Divine

Ancient Wisdom for Living a Divinely-Guided Life

Reclaiming Your Inner Connection to Truth

Second Edition

A Drop in the Ocean of Love

John Dee was not just a mystic and mathematician, adviser to Francis Drake and astrologer to Queen Elizabeth I: he also kept the first great diary in the English language. Now his private journals and spirit diaries are brought together for the first time, compiled from the original documents in the Bodleian Library and the British Museum.

Hands are indeed remarkable tools. They are used for repairing cars, saving lives, and even that most simple but profound of functions: making others feel loved and cared for. For centuries, hands have been revered as vessels for imparting blessing, spiritual gifts, the Holy Spirit, and healing- through touching one another. Traditionally known as the laying on of hands, this Christian practice has been given by God for laypeople and clergymen alike to gain insight, heal the sick, receive spiritual gifts, and bless others on their journeys. One of the most beautiful and intimate things we can do is be active participants and partners with God

by using touch to impart healing and blessings to the sick, oppressed, and those who hunger for more. When we use our God-given hands in conjunction with prayer to touch others, we are accomplishing God's will here on earth. The Power of Touch not only explores the history and substantiation of the efficacy and importance of hands throughout time, but taps into readers' very souls as it illustrates the power that to help and heal our fellow man-and, in turn, ourselves, through the power of God that flows through us.

Deepen your relationship with God with this beautiful prayer journal just waiting to be filled! Keeping a prayer journal is one of the best ways to deepen your relationship with God and help you navigate your spiritual journey. Each page of this prayer journal contains a verse from the scriptures to inspire your prayers and devotion to the divine. This prayer journal is a writing journal, ideal to write down your conversations with God, your personal prayers, personal thoughts, things you are grateful for, and anything you feel like writing down. Here are some of the journal main feature: The journal measure 8-inch wide by 10-inch in length with plenty of writing space. Each page features a scripture quotation to inspire your praying activities. High-quality 55# paper in a light cream color and is perfect for all types of pens or pencils including gel pens, fountain pens, and writing markers. 100 wide lined pages with an inspirational scripture quotation on each page Glossy cover with a professional finish, flexible paperback. Makes a great gift for family, friends or colleagues. Scroll back up and order your copy today! Contains John Dee's Spiritual Diaries for 25 years (1583-1608). This book covers Dee's invocation of the angels, the reception of their Enochian system of magic, his experiments in alchemy, and experiences in the courts of the crowned heads of Europe.

Spiritual Bedrock A Daily Devotional

Spiritual Bedrock Reclaiming Your Inner Connection to Truth Sylvia Hutchinson *Spiritual Bedrock* celebrates reconnecting with and living by our innate sense of Truth. In this book, Sylvia Hutchinson uses her experience to illustrate how easily looking for fulfillment in external sources can lead to the loss of feelings of security, connectedness, and wellbeing. *Spiritual Bedrock* is a straightforward look into Sylvia Hutchinson's mind and heart. As she shares her journey into multiple addictions and back, she reveals how the abandonment of her inner knowing and her integrity brought her to a world of separation and loss. She describes the desperation and hopelessness she experienced with directness and honesty. Sylvia then relates how she emerged from that deep emotional and spiritual bottom to reclaim her peace of mind and joy in life. She presents specific methods she has found to access and honor her emotions, transform thought processes and behavior patterns, access her inner wisdom, and reunite with her Higher Self. The spiritual nature of our daily lives, as supported by worldwide traditional wisdom, is a central theme throughout Sylvia Hutchinson's writing. In *Spiritual Bedrock*, Sylvia explains in down to earth language how living increasingly in accord with this age-old wisdom, or Universal Truth, is not only possible, but practical, and is the process by which we can feel whole once more.

Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas *Gods Feminist Movement* is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: *Dating and Modesty* *Female Leaders in the Church* *Submission in Marriage* *Beauty and Self-Image* Celebrate the power and beauty of womanhood. God has given you permission to change the world by being you! Break off religious traditions

that keep women trapped in old school legalism and move beyond Christian clichs that minimize a womans true position in Christ!

Although revered in his own time, John Dee (1527-1608) was until recently regarded as an isolated crank on the margins of Tudor history. This anthology of Dee's writings illustrates his diverse interests and his central position in the history of Renaissance thought and the development of Western Magic. Dee's celebrated Preface to Euclid is included along with selections from his Spiritual Diaries and letters to other mystics and royals. In addition to Hermetic and Cabalistic philosophy, mathematics, astronomy, astrology, and navigation are also covered.

A comprehensive look at the life and continuing influence of 16th-century scientific genius and occultist Dr. John Dee • Presents an overview of Dee's scientific achievements, intelligence and spy work, imperial strategizing, and his work developing methods to communicate with angels • Pieces together Dee's fragmentary Spirit Diaries and examines Enochian in precise detail and the angels' plan to establish a New World Order • Explores Dee's influence on Sir Francis Bacon, modern science, Rosicrucianism, and 20th-century occultists such as Jack Parsons, Aleister Crowley, and Anton LaVey Dr. John Dee (1527-1608), Queen Elizabeth I's court advisor and astrologer, was the foremost scientific genius of the 16th century. Laying the foundation for modern science, he actively promoted mathematics and astronomy as well as made advances in navigation and optics that helped elevate England to the foremost imperial power in the world. Centuries ahead of his time, his theoretical work included the concept of light speed and prototypes for telescopes and solar panels. Dee, the original "007" (his crown-given moniker), even invented the idea of a "British Empire," envisioning fledgling America as the new Atlantis, himself as Merlin, and Elizabeth as Arthur. But, as Jason Louv explains, Dee was suppressed from mainstream history because he spent the second half of his career developing a method for contacting angels. After a brilliant ascent from star student at Cambridge to scientific advisor to the Queen, Dee, with the help of a disreputable, criminal psychic named Edward Kelley, devoted ten years to communing with the angels and archangels of God. These spirit communications gave him the keys to Enochian, the language that mankind spoke before the fall from Eden. Piecing together Dee's fragmentary Spirit Diaries and scrying sessions, the author examines Enochian in precise detail and explains how the angels used Dee and Kelley as agents to establish a New World Order that they hoped would unify all monotheistic religions and

eventually dominate the entire globe. Presenting a comprehensive overview of Dee's life and work, Louv examines his scientific achievements, intelligence and spy work, imperial strategizing, and Enochian magick, establishing a psychohistory of John Dee as a singular force and fundamental driver of Western history. Exploring Dee's influence on Sir Francis Bacon, the development of modern science, 17th-century Rosicrucianism, the 19th-century occult revival, and 20th-century occultists such as Jack Parsons, Aleister Crowley, and Anton LaVey, Louv shows how John Dee continues to impact science and the occult to this day.

Divine Impartation Through Touch

Analyzing Shakespeare's views on theatre and magic and John Dee's concerns with philosophy and magic in the light of the Italian version of philosophia perennis (mainly Marsilio Ficino, Pico della Mirandola and Giordano Bruno), this book offers a new perspective on the Italian-English cultural dialogue at the Renaissance and its contribution to intellectual history. In an interdisciplinary and intercultural approach, it investigates the structural commonalities of theatre and magic as contiguous to the foundational concepts of perennial philosophy, and explores the idea that the Italian thinkers informed not only natural philosophy and experimentation in England, but also Shakespeare's theatre. The first full length project to consider Shakespeare and John Dee in juxtaposition, this study brings textual and contextual evidence that Gonzalo, an honest old Counsellor in *The Tempest*, is a plausible theatrical representation of John Dee. At the same time, it places John Dee in the tradition of the philosophia perennis-accounting for what appears to the modern scholar the conflicting nature of his faith and his scientific mind, his powerful fantasy and his need for order and rigor-and clarifies Edward Kelly's role and creative participation in the scrying sessions, regarding him as co-author of the dramatic episodes reported in Dee's spiritual diaries. Finally, it connects the Enochian/Angelic language to the myth of the Adamic language at the core of Italian philosophy and brings evidence that the Enochian is an artificial language originated by applying creatively the analytical instruments of text hermeneutics

used in the Cabala.

Grown men don't wear nappies and babies don't drive cars. In life it is important that we act our age. Spiritually, it works the same way. If we don't grow continually as a Christian, we build expectations based on other people's experiences instead of our own current position. Are you struggling to connect with God, or are you frustrated that your prayers are not being answered? The question is, how mature are you, spiritually speaking? Truth is, a parent relates differently to a baby than to a teenager. So too your Heavenly Father relates differently to you as a little child, a young man or as a father in the faith as highlighted in 1 John 2. Each growth phase poses a different degree of intimacy as well as a different level of responsibility in God's Kingdom. In this book you will learn how to relate to God as:
* A little child ... receive revelation of God as a Father and understand adoption into His family.
* A young man ... learn how to build strength and overcome the three enemies of your soul.
* A father in the faith ... live in deep intimacy with the Father while raising sons of the next generations.
It's time we grow up into full spiritual maturity. Creation depends on it!

Michael Henry Dunn's spiritual journey began with heartbreak and a call to monastic life. But a deep conviction that one can be in love with the Divine - passionately, romantically in love - and still find sweet and fulfilling human love as well, led him to seek and find intimacy with the ultimate Soul Mate. Romancing the Divine is Dunn's deeply moving, intensely personal account of a love affair with the Source of Life: the Goddess who is also God. With honesty and humor, Dunn reveals the personal crisis that led to his spiritual awakening, his experiences meditating and chanting in the company of saints and illuminated souls, and the paths and techniques you can use to share in his love. What Dunn experienced (and continues to experience) transcends any one religion. He found commonality in his divine love with Indian yogis and Western nuns and discovered inspiration from Christian monastics and the chants of the kirtan yogic tradition. His is an unabashedly romantic love story centered on the Divine Feminine and filled with joy, passion, and a spiritualized and purified erotic energy. To love the Divine is to discover a lover who, according to Dunn, is "seductive beyond thought of competition." It's a love we all deserve.

The life force, also known as "spirit," is the essence of being and the conscious and most important form of energy. Living energy is personal and within our conscious control, and by learning about it, we can use it to transform our life into vibrant and meaningful expressions of who we really are. Consciousness

is purely energetic and therefore difficult to quantify in mechanistic terms. It is the characteristic of living energy and is the foundation of awareness. Consciousness is the thread running through all life. Living Energy is an introduction to the process of mystic spirituality. The reader is encouraged to attain a deep and meaningful connection to the divine with expanded awareness. The principles given in this book are equally relevant to the novice and the advanced practitioner. Robert explains how we may reveal our hidden potential by shifting our perception away from what is customary and comfortable to open the doors to greater spiritual awareness.

It's Time to Grow Up

True and Faithful Relation of what Passed for Many Yeers Between Dr. John Dee and Some Spirits

Dr John Dee's Spiritual Diary (1583-1608)

Power to Wealth Book shows you how to access kingdom wealth and build your capacity for supernatural provision. You will learn many kingdom principles and understand supernatural channels that God uses to bring wealth and riches to you. The book will show you how to activate the power of God to access your inheritance and bring you back to your God given purpose. You will be enlisted into God's Wealth Revolution as a Wealth Missionary.

In this updated edition of a classic John Dee resource, Dr. Stephen Skinner has added more than 100 pages of translated text so those who don't know Latin can read the fascinating chronicle of Enochian magick from beginning to end entirely in English. With an 8" x 10" trim size--decreased from the first edition's large-size folio format--this exceptional second edition will be a welcome addition to the enthusiast's shelves. This edition retains the impeccable scholarship of the first edition, which was the first corrected, updated, reader-friendly version of A True & Faithful Relation of what passed for many Years between Dr. John Dee... and some Spirits, transcribed and prefaced by Meric Casaubon in 1659. This edition also retains the detailed introduction, appendices, extensive footnotes, supplementary texts, additional illustrations, Dee timeline, and much more. This is the second edition of the corrected,

reorganized, fully annotated book of Dr. John Dee's fascinating diaries and writings, which chronicle in stunning first-person detail Dee's invocation of the angels and the reception of their Enochian system of magick, his experiments in alchemy, and experiences in the courts of the crowned heads of Europe.
