This is a very cute and very funny book about a dragon (called Dragon!) who is celebrating Halloween. He makes a scary monster out of six pumpkins, attends a Halloween party and scares himself stupid with his own growling stomach. (he was hungry!). I watched this via YouTube because i was looking for another story and I'm glad I watched it now.

The egg resembles a skull and can hatch into one of the 3 Halloween Event dragons. The egg will take 1 hour to hatch. There is a 62.5% chance of hatching a Skelltor, a 31.3% chance of hatching a Paukiki, and a 6.25% chance of hatching a Dysuva.. The egg will spawn in the world once every 15 minutes, with an evil laugh and the Halloween event music from 2019!
