real life. Writing good listings that make buyers want to pull the trigger on your items is not easy Taking good pictures that show your stuff in the best light can be harder than you think Pricing your stuff to sell can seem a bit like rolling the dice And then there's the waiting. Waiting for bidders to come along. Sometimes they

undergraduate level textbook on the subject. Electronic commerce (EC) describes the manner in which transactions take place over electronic networks, mostly the Internet. It is the process of electronically buying and selling goods, services, and information. Certain EC applications, such as buying
