East of West is a monthly comic book series published by Image Comics which debuted in March 2013 and was concluded in December 2019. Created by writer Jonathan Hickman and artist Nick Dragotta, the book is a science fiction Western set in a dystopian version of the United States whose fate rests with the Four Horsemen of the Apocalypse

East of West - Wikipedia
East of the West is a collection of short stories by a Bulgarian writer, now settled in the US. Penkov narrates stories that are rich in the culture and history of Bulgaria. These stories explore the lives of different characters, from staunch communists to American-Bulgarians, from unfulfilled lovers to failures clinging on to life.

East of the West: A Country in Stories by Miroslav Penkov
These are Miroslav Penkov’s strange, unexpectedly moving visions of his home country, Bulgaria, and they are the stories that make up this beguiling and deeply felt debut. Animated by Penkov’s unmatched eye for the absurd, East of the West is a brilliant portrait of a country with its own compass.

Amazon.com: East of the West: A Country in Stories ...
East of West is one of the most imaginative, random, complex story’s I have ever read in comics. There’s a lot going on and it’s very easy to get side tracked. At first you will be confused, but on a second read it all seems to make sense. Well not everything, you will have several unanswered questions.

Amazon.com: East of West: The Apocalypse Year One ...
"East of the West is an astonishing debut a work of singular vision, part fictive history, part fairy tale, that somehow explains this mysterious country. Yet the work is hardly enigmatic: rather than use exoticism as a cloying curtain, it presents the scent of the unfamiliar to draw us to a nuanced understanding revealing yet

Miroslav Penkov - East of the West: Stories
East of West is the quintessential Jonathan Hickman book. It starts out confusing and comprehension can only be earned by rereads. A Hickman book is also heavy in alternate history and pseudosciences which this title has in spades. This book is definitely unlike any other in the market right now.

East of West, Vol. 1: The Promise by Jonathan Hickman
If you havent started reading East of West, go and pick up the first book RIGHT NOW. If you’ve already finished that, then this is a great place to continue. It collects the next 4 volumes in one book. The pages are very well produced, the art is top notch already and having them in a larger format is even more visually pleasing.

east of the web
In East of the West, Penkov writes with great empathy of centuries of tumult; his characters mourn the way things were and long for things that will never be. But even as they wrestle with the weight of history, with the debt to family, with the pangs of exile, the stories in East of the West are always light on their feet, animated by Penkov’s unmatched eye for the absurd.

East of the West: A Country in Stories - Kindle edition by ...
The kingdom was so far away that it was somewhere east of the sun and west of the moon. Mercer retells the tale in a way to make it more appealing to modern children and their parents, so the prince has now been transformed into a frog in Mercer’s version, not the ferocious bear of the original that modern audiences would find somewhat disquieting.

The four cardinal directions, or cardinal points, are the directions north, east, south, and west, commonly denoted by their initials N, E, S, and W. East and west are perpendicular (at right angles) to north and south, with east being in the clockwise direction of rotation from north and west being directly opposite east. Points between the cardinal directions form the points of the compass.
