Emotional Support Through Breast Cancer: Amazon.co.uk ...

5.0 out of 5 stars Emotional Support through Breast Cancer. 17 July 2016. Format: Paperback Verified Purchase. An incredibly helpful little book, written from the perspective of a psychologist who has herself been diagnosed with breast cancer.

Emotional Support Through Breast Cancer: The Alternative ...

The emotional impact of breast cancer is explored, and how there is no 'right' or 'wrong' way to experience the diagnosis and subsequent process of treatment. The sometimes extremely long-term nature of treatment side-effects is fully acknowledged and addressed, and the severity of the traumatic shock some women (including myself) may experience is brought out into the open.

Emotional Support Through Breast Cancer: Written by ...

Book Description. This compassionate guide presents an array of new perspectives on the emotional effects of breast cancer and includes many personal testimonies from women who have been diagnosed with this disease. Written by a breast cancer survivor and practising psychologist, it shares practical ideas to help support sufferers at all stages, be it at diagnosis, during treatment or during life after the initial treatments are over.

Emotional Support Through Breast Cancer - 1st Edition ...

Breast cancer is a life-threatening disease that requires rigorous treatment. If you have been diagnosed with breast cancer, you, your family, and friends will be experiencing waves of emotion (likely tidal waves at times). Just as your diagnosis may differ from those of other people with breast cancer, your emotional experience may also differ. Knowing what other survivors have experienced and getting help early in the process can be helpful in navigating your way through this experience.
