"The Ontario Code of Conduct sets clear provincial standards of behaviour. It specifies the mandatory consequences for student actions that do not comply with these standards. The Provincial standards of behaviour apply not only to students, but also to all individuals involved in the publicly funded school system - parents or guardians, volunteers, teachers and other staff members - whether they are on school property, on school buses or at school-authorized events or activities"--Ontario Ministry of Education website (viewed 11 July 2005).

Garnet Havelock was always a bit different from other guys. He never quite fit in and he was okay with that. Now, in his final year of high school, he's just marking time, waiting to get out into the real world. When a mysterious girl transfers to his school Garnet thinks he might have found the girl of his dreams, if only he could get her to talk to him. As Garnet struggles to win over one girl, another girl is trying to get his attention – unfortunately she lived over 150 years ago. Garnet becomes fascinated by her history and that of the black community she belonged to. As he draws closer to the truth, he uncovers a horrifying chapter in his town's history, and discovers the ways in which deep-seated prejudices and persecution from the past can still reverberate in the present.

*Phaet Theta has lived her whole life in a colony on the Moon. She's barely spoken since her father died in an accident nine years ago. She cultivates the plants in Greenhouse 22, lets her best friend talk for her, and stays off the government's radar. Then her mother is arrested. The only way to save her younger siblings from the degrading Shelter is by enlisting in the Militia, the faceless army that polices the Lunar bases and protects them from attacks by desperate Earth-dwellers. Training is brutal, but it's where Phaet forms an uneasy but meaningful alliance with the preternaturally accomplished Wes, a fellow outsider. Rank high, save her siblings, free her mom: that's the plan. Until Phaet's logically ordered world begins to crumble... Suspenseful, intelligent, and hauntingly prescient, Dove Arising stands on the shoulders of our greatest tales of the future to tell a story that is all too relevant today.*

**WINNER OF THE THURBER PRIZE** The compelling, inspiring, (often comic) coming-of-age story of Trevor Noah, set during the twilight of apartheid and the tumultuous days of freedom that followed. One of the comedy world's brightest new voices, Trevor Noah is a light-footed but sharp-minded observer of the absurdities of politics, race and identity, sharing jokes and insights drawn from the wealth of experience acquired in his relatively young life. As host of the US hit show The Daily Show with Trevor Noah, he provides viewers around the globe with their nightly dose of biting satire, but here Noah turns his focus inward, giving readers a deeply personal, heartfelt and humorous look at the world that shaped him. Noah was born a crime, son of a white Swiss father and a black Xhosa mother, at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the first years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, take him away. A collection of eighteen personal stories, Born a Crime tells the story of a mischievous young boy growing into a restless young man as he struggles to find his place in a world where he was never supposed to exist. Born a Crime is equally the story of that young man's fearless, rebellious and fervently religious mother - a woman determined to save her son from the cycle of poverty, violence and abuse that ultimately threatens her own life. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Noah illuminates his curious world with an incisive wit and an unflinching honesty. His stories weave together to form a personal portrait of an unlikely childhood in a dangerous time, as moving and unforgettable as the very best memoirs and as funny as Noah's own hilarious stand-up. Born a Crime is a must read.
