English Teaching Skills for all."

Following the Second World War, the British Council, along with British publishers and universities, began to take a serious interest in English as a foreign language teaching ('ELT') and the UK soon gained a dominant role in the development and export of teaching approaches and materials. This set includes the works of neglected theorists such as Horace Wyatt, who indicated that English can be taught through the mother tongue as well as 'directly', and Michael West, whose emphasis on the educational value of teaching reading 'in difficult circumstances' has often been ignored in favor of the more utilitarian, spoken-language approach to ELT.

analyses of word meaning, Eve Sweetser's argument shows that they can be analysed both readily and systematically. Meaning relationships in general cannot be understood independently of human cognitive structure, including the metaphorical and cultural aspects of that structure. Sweetser shows that both lexical polysemy and pragmatic ambiguity are shaped by our metaphorical folk understanding of epistemic processes and of speech interaction. Similar regularities can be shown to structure the contrast between root, epistemic and 'speech-act' uses of modal verbs, multiple uses of conjunctions and conditionals, and certain processes of historical change observed in Indo-
