Everyday Mathematics is grounded in an extensive body of research into how students learn. Learn more.
Everyday Mathematics Implementation Measurement.
Implementation measurement provides information about how teachers are implementing EM materials, what is actually happening in schools, classrooms, and districts “on the ground,” and why.
Learn more.
Everyday Mathematics and the Common Core State Standards for Mathematical Practice

Everyday Mathematics

Everyday Mathematics Online. With a login provided by your child's teacher, access resources to help your child with homework or brush up on your math skills.
Understanding Everyday Mathematics for Parents.
Learn more about the EM curriculum and how to assist your child.

Everyday Mathematics

Understanding Everyday Mathematics.
This section provides answers to common questions parents have about the Everyday Mathematics curriculum.
Here you can learn more about the rationale behind the Everyday Mathematics position on topics such as basic math facts and calculator use, in addition to tips on how to assist your child.

For Parents - Everyday Mathematics

Finding the Unit and Lesson Numbers.
Everyday Mathematics is divided into Units, which are divided into Lessons.
In the upper-left corner of the Study Link, you should see an icon like this: The Unit number is the first number you see in the icon, and the Lesson number is the second number.
In this case, the student is working in Unit 5, Lesson 4.
To access the help resources, you would select "Unit 5" from the list above, and then look for the row in the table labeled "Lesson 5-4."
