

Father Christmas S Fake Beard

The fourth book in the Science of Discworld series, and this time around dealing with THE REALLY BIG QUESTIONS, Terry Pratchett's brilliant new Discworld story Judgement Day is annotated with very big footnotes (the interleaving chapters) by mathematician Ian Stewart and biologist Jack Cohen, to bring you a mind-mangling combination of fiction, cutting-edge science and philosophy. Marjorie Daw is a librarian, and takes her job – and indeed the truth of words – very seriously. She doesn't know it, but her world and ours – Roundworld – is in big trouble. On Discworld, a colossal row is brewing... The Wizards of Unseen University feel responsible for Roundworld (as one would for a pet gerbil). After all, they brought it into existence by bungling an experiment in Quantum Thaumodynamics. But legal action is being brought against them by Omnians, who say that the Wizards' god-like actions make a mockery of their noble religion. As the finest legal brains in Discworld (a zombie and a priest) gird their loins to do battle – and when the Great Big Thing in the High Energy Magic Laboratory is switched on – Marjorie Daw finds herself thrown across the multiverse and right in the middle of the whole explosive affair. As God, the Universe and, frankly, Everything Else is investigated by the trio, you can expect world-bearing elephants, quantum gravity in the Escher-verse, evolutionary design, eternal inflation, dark matter, disbelief systems – and an in-depth study of how to invent a better mousetrap.

'A gorgeous tale brimming with the magic of Christmas. A sheer delight for all kids both big AND small.' Ruth Jones, award-winning writer and comedian 'Enchanting, funny and intriguing in equal measure' Philip Ardagh, bestselling author 'You can always tell when a children's book has been written by a brilliant father because there's a particular intimacy, warmth and mischievous humour that bubbles through it ... irresistible' Alexander Armstrong, presenter, comedian and writer Jackson knows all about the flying reindeer, he knows about the elves and the secret North Pole workshop, he knows about the magic that allows Father Christmas to deliver presents around the world in just one night, but there's one thing he doesn't know ... how did Father Christmas become Father Christmas? That all changes when, one Christmas Eve, Jackson meets Father Christmas and hears his incredible story. So begins an enchanting fairy-tale into a magical snowy landscape, where Torvil, a mean-spirited and miserly elf, is about to discover the true meaning of Christmas. This might not have been the story Jackson was expecting but, as Father Christmas tells him, no good story ever is... Get ready for a Christmas classic in the making from actor and comedian Ben Miller with beautiful illustrations throughout from emerging talent Daniela Jaglenka Terrazzini, that will remind everyone of the true spirit of Christmas and prove once and for all that Father Christmas really does exist!

It's the most wonderful time of the year... and all of the Santa Lands employees and clients would agree. Especially when December 1st rolls around and the most elusive strip club once again opens its doors. And the rules are once again in place to protect all of the secret Santa's, especially the bad ones. Rules: 1. To be able to enter into Santa Land a non-disclosure agreement has to be signed. 2. All men have to wear a red Santa suit, hat and beard. 3. All women have to wear a Santa dress, stilettos, Santa hat and a red mask. 4. No contact information can be traded. 5. The Santa playrooms can be used by anyone but masks and beards must be kept on. 6. Only consensual sex is allowed. So when Candy wanted a repeat performance with the very Bad Santa that filled her stocking so well last year, it may not go to plan. However, Cupid wanted to find the Mrs Claus that's been on his naughty list since last Christmas. The rules say the Santa's must remain a secret. But since when do Bad Santa's stick to the rules?

Judgement Day

Do you believe in magic? Can you imagine a war between wizards, a rebellious ant called 4179003, or a time-travelling television? Can you imagine that poor old Mr Swimble could see a mysterious vacuum cleaner in the morning, and make cheese sandwiches and yellow elephants magically appear by the afternoon? Welcome to the wonderful world of Sir Terry Pratchett, and fourteen fantastically funny tales from the master storyteller. Bursting from these pages are food fights, pirates, bouncing rabbits and magical pigeons. And a witch riding a vacuum cleaner, of course. 'One of the most consistently funny writers around' Guardian

The absolute, comprehensive, from Tiffany Aching to Jack Zweiblumens guide to all things Discworld, fully illustrated by Paul Kidby. The Discworld, as everyone knows, is a flat world balanced on the back of four elephants which, in turn, stand on the shell of the giant star turtle, the Great A'Tuin, as it slowly swims through space. It is also the global publishing phenomenon with sales of over 70 million books worldwide (but who's counting?).

There's an awful lot of Discworld to keep track of. But fear not! Help is at hand. For the very first time, everything (and we mean everything) you could possibly want to know has been crammed into one place. If you need a handy guide to locales from Ankh-Morpork to Zemphis . . . If you can't tell your Achmed the Mads from your Jack Zweiblumens . . . If your life depends on distinguishing between the Agatean Empire and the Zoons . . . Look no further. Compiled and perfected by Stephen Briggs, the man behind The Ultimate Discworld Companion's predecessor Turtle Recall, this is your ultimate guide to Sir Terry Pratchett's beloved fantasy world.

The perfect introduction to the wonderful world of the Faraway Tree. Discover the magic! Explore the Enchanted Wood with Joe, Beth and Frannie and meet their very special friends, Silky the fairy, Moonface and Saucepan Man. When a runaway elephant visits the tree, there's a lot of mess for the friends to sort out . . . Perfect for reading with 3-6 year-olds, this picture book is a delightful way to discover the extraordinary world of the Magic Faraway Tree. This is a brand-new story, specially written by bestselling picture book author Jeanne Willis, and illustrated by the author of all the classic Faraway Tree books, Mark Beech.

Santa Claus gets angry over all the false Santas in the world, so he declares war on them and snatches each false beard.

The new heart-warming and hilariously brilliant story from number one bestselling author David Walliams. Beautifully

illustrated by artistic genius, Tony Ross.

Everyone knows that when Christmas rolls around Santa employs a legion of helpers to ensure the season goes off without a hitch. But between the santas on parade, the santas at the malls, and the ones ringing bells in front of busy department stores...one intrepid investigator wants to know exactly WHO the real Santa is. Armed with a notebook, pencil, and a barrage of questions, can this young detective get to the bottom of Santa's secret?

I have one Christmas wish: to get Sam Porter, my brother's best friend and the man I've loved from a distance for most of my life - to notice me. To really notice me. So, I'm doing that super cheesy thing where I get all dressed up at the Kane Co. Holiday party in the hopes he'll see what he's been missing. And for the span of a blackout every one of my sex dreams about Sam come true. But then the lights come back on and he pushes me away with both hands. So now I'm done with him. Done with his handsome face, and his not-so-hidden pain and all our inside jokes. And my love for him - I'm really done with that. But Sam has been discharged from the Marines, and my brother has hired him on at Kane Co. In the shipping department. Where I'm the boss. And he's...irresistible. But Sam has his own Christmas wish and it's me he's wanted all along.

A collection of wonderful Christmas stories from the fantastically funny Terry Pratchett. With incredible illustrations from Mark Beech. Have you ever wanted Christmas to be different? Turkey and carols, presents and crackers - they all start to feel a bit . . . samey. How about a huge exploding mince pie, a pet abominable snowman, or a very helpful partridge in a pear tree? What if Father Christmas went to work at a zoo, or caused chaos in a toy store or, was even, arrested for burglary!? Dive into the fantastically funny world of Terry Pratchett, for a festive treat like no other. These ten stories will have you laughing, gasping and crying (with laughter) - you'll never see Christmas in the same way again.

You don't have to be born confident. You can learn to be confident. Here's how. Dr Nate Zinsser works with the cream of the US military to prepare them mentally for leadership and for action. He also trains top sportsmen and women to develop the self-belief essential for world-class performance. Now he shares the tried and tested techniques he has perfected over many years to help anyone who wants to acquire the confidence that will enable them to perform at their very best, whatever the environment, however stressful the situation. In the process he shows how to make positive use of nervousness, what acquiring a 'success cycle' involves, and why self-assurance, like all skills, requires constant practice. Drawing on the latest research, and packed with real-life examples, this is a supremely practical - and inspirational - guide to achieving bullet-proof confidence.

When you're four inches high in a world full of giant people, things never go very well for long. After running into trouble at the quarry, the nomes want to go home. The problem is, 'home' is somewhere up in the stars, in some sort of Ship. Masklin must find a way to get to the 'launch' of a 'communications satellite' (whatever that is). And so begins an incredible journey, filled with peril, planes, honking geese . . . and a walking sandwich. The fantastically funny third book of the nomes, from the author of the bestselling Discworld series.

In Santa's Christmas village at the North Pole, the elves celebrate special days all year round. Apart from Christmas, though, nothing is more exciting to a scout elf than a birthday--and elves celebrate birthdays with a tradition that goes back thousands of years. Now, at the request of children from around the world, Santa has given his scout elves special permission to share that birthday tradition with the families they love. An elf cannot come to a celebration, though, unless it is invited.

Hoppy Christmas! Help Peter Rabbit find some missing presents in this Christmas lift-the-flap adventure. Peter Rabbit is very excited about Christmas - the tree is decorated and Mrs Rabbit has made mince pies. But where are his sisters's presents? Peter hid them so they would be safe but he can't remember where they are. With lots of flaps to lift, you can help Peter find the missing gifts and celebrate Christmas with the Rabbit family in this festive new story. An illustrated collection of 14 short stories—featuring "dragons and wizards, councilors and mayors, an adventurous tortoise and a monster in a lake, along with plenty of pointy hats and a few magic spells"—was written when the author was a teenaged newspaper reporter. 50,000 first printing.

A stunning portfolio of Discworld illustrations from the brush of Paul Kidby, Sir Terry Pratchett's artist of choice. Paul Kidby, Sir Terry Pratchett's artist of choice, provided the illustrations for The Last Hero, designed the covers for the Discworld novels since 2002, and is the author of the bestselling The Art Of Discworld. Now, Paul Kidby has collected the very best of his Discworld illustrations in this definitive volume, including 40 pieces never before seen, 30 pieces that have only appeared in foreign editions, limited editions and BCA editions, and 17 book cover illustrations since 2004 that have never been seen without cover text. If Terry Pratchett's pen gave his characters life, Paul Kidby's brush allowed them to live it, and nowhere is that better illustrated than in this magnificent book. For fans old and new, this beautiful collectors item is the perfect gift for Christmas. 'The closest anyone's got to how I see the characters' - Sir Terry Pratchett

It's the night before Hogswatch. And it's too quiet. Superstition makes things work in the Discworld, and undermining it can have consequences. It's just not right to find Death creeping down chimneys and trying to say 'Ho Ho Ho...' It's the last night of the year, the time is turning, and if Susan, gothic governess and Death's granddaughter (sort of), doesn't sort everything out by morning, there won't be a morning. Ever again... Adapted by Terry Pratchett's long-time collaborator Stephen Briggs, this play text version of Pratchett's bestselling Discworld novel Hogfather wittily and faithfully reimagines the story for the stage.

The final collection of short stories from the incredible Sir Terry Pratchett! Imagination is an amazing thing. It can take you to the top of the highest mountain, or down to the bottom of the deepest depths of the sea. This where it took Doggins on his Awfully Big Adventure: a quest full of magic and flying machines. (And the world's best joke - trust me, it's hilarious.) It took three young inventors to the moon (where they may or may not have left a bottle of lemonade) and a caveman on a trip to the dentist. You can join them on these adventures, and many more, in this incredible collection of stories . . . From the greatest imagination there ever was. Written for local newspapers when Terry Pratchett was a young lad, these never previously published stories are packed full of anarchic humour and wonderful wit. A must-have for Terry fans . . . and young readers looking for a fix of magic.

The Christmas Santa Had No Beard

My to do list: Revive my crashed PR career. Turn around the Kringle family business by Christmas. Convince my ex-boyfriend, NHL legend Matt "the Mountain" Kringle, to help me, even though I broke his heart when we were seventeen. Easy, right? Matt is huge, he's hot, and he's the grumpiest player in the league. I'll have to brave his bad attitude and his sexy beard if I want him to help bail out the family business and put my career back on track. I'll also have to try to forget - again - what an amazing kisser he is. None of it is going to be easy. Not when Matt's arrival in town leads to the Airport Incident and the Candy Cane Scandal - talk about embarrassing. But as Matt and I navigate disaster after disaster together, I'll have to get over the fact that I never got over him. And that love with Matt is a game I just might want to play.

Ugh, Christmas. Not a fan. So why am I wearing a Santa suit and letting frisky moms paw me at a reindeer ranch? It might have something to do with the family crisis that drew me home between tours as a career Marine. Or maybe it's my urge to cozy up with the prickly reindeer rancher whose curves give me visions of something way hotter than sugarplums. Jade King isn't thrilled I'm here, and she'd be less thrilled to know her sister hired me to keep an eye on things. Someone's set on sabotaging the ranch, so I've got a built-in excuse to get close to Jade. I could swear the attraction's mutual, but something's holding her back. Some secret in her past that has her pushing me away like a bad batch of eggnog. It's almost as baffling as all these *accidents* at the King sisters' place.

Seriously, who'd screw with a reindeer ranch? Between sexy Santa suit malfunctions and risqué Christmas cookies, Jade and I keep ending up under the mistletoe together. Is there any chance we can mesh our Christmas wish lists, or will it all crash down like a fat man in an iron sleigh?

It's May 21 1941, thought Johnny. It's war. Johnny Maxwell and his friends have to do something when they find Mrs Tachyon, the local bag lady, semi-conscious in an alley . . . as long as it's not the kiss of life. But there's more to Mrs Tachyon than a squeaky trolley and a bunch of dubious black bags. Somehow she holds the key to different times, different eras - including the Blackbury Blitz in 1941. Suddenly now isn't the safe place Johnny once thought it was as he finds himself caught up more and more with then . . . The third book in the Johnny Maxwell trilogy.

A collection of wonderful Christmas stories from the fantastically funny Terry Pratchett. With incredible illustrations from Mark Beech, it's the perfect stocking filler! One Thousand Christmas Beards

Dear Wesley Kane, We are not getting married. I know we had to get engaged as part of our companies' merger plans, but a fake engagement is all I'll agree to. For business purposes. We are never, ever getting married. We have nothing in common. I'm the nerdy do-gooder girl with glasses and you're the playboy with a new woman on his arm every week. I'm not your type, and you're not mine. Okay, so you're incredibly gorgeous. And funny. And you keep giving me That Look. And you've ditched all your other girlfriends for me. And I've seen you in nothing but your boxer shorts, and I'm still thinking about it. Because...wow. We have to be married by midnight Christmas Eve, and the deadline is getting closer. It doesn't matter if you might be my dream guy. It doesn't matter if I'm falling for you-it's just a business deal. We are never, ever-Oh God, I just kissed you again

Captain the Honourable Sir Herbert Stephen Ernest Boring-Tristram-Boring (known to his friends as Bill) is very rich but very bored. When famous explorer Alfred Tence shows up at his front door, life gets considerably more exciting. Before long, he's speeding off in a taxi to the mountains of Chilistan in search of the hairiest, most mysterious monster ever known - an ABOMINABLE SNOWMAN! A fantastically funny short story from the collection Dragons at Crumbling Castle. [*Yes, that Alfred Tence - the same man who punted from Brighton to Bombay in the bath. It's true.]*

From Bah Humbug to Santa Baby, this standalone holiday novella is full of ho, ho, oh no... Single mom Chrissy Eve is struggling to make ends meet selling pretzels at the Yule Heights Shopping Mall. All this mama wants is a silent night, but when her seven-year-old asks the mall Santa to teach his mom to drive a sleigh, she finds herself in knots over the man in red. Dash Winters is the last person she needs pulling her reins. She has a son to think about and a "seasonal romance" with someone who gets paid to lie to kids once a year is not going to jolly her holly. But the more she gets to know the Santa with a six-pack, the more Chrissy realizes she can't judge a book by its cover... or a Santa by his suit!

The big red suit was ironed and ready. The elves had stuffed the final teddy, When from the bathroom came a yelp, 'Ho Ho, oh no! Quick, someone HELP!' When Santa accidentally shaves off his famous beard, the elves all rally round to help. Will they be able

to sort him out before Christmas Eve? Festive and fun, this is destined to become a seasonal favourite.

Terry Pratchett in his own words With a foreword by Neil Gaiman Terry Pratchett earned a place in the hearts of readers the world over with his bestselling Discworld series – but in recent years he became equally well-known as an outspoken campaigner for causes including Alzheimer's research and animal rights. A Slip of the Keyboard brings together the best of Pratchett's non fiction writing on his life, on his work, and on the weirdness of the world: from Granny Pratchett to Gandalf's love life; from banana daiquiris to books that inspired him; from getting started as a writer to the injustices that he fought to end. With his trademark humour, humanity and unforgettable way with words, this collection offers an insight behind the scenes of Discworld into a much loved and much missed figure – man and boy, bibliophile and computer geek, champion of hats, orang-utans and the right to a good death.

Everything you ever wanted to know about Santa, as told to the author of Cloudy with a Chance of Meatballs by the big guy himself. This eBook edition includes audio! As you might imagine, the early life of Santa Claus was a liiiiiittle different from the childhood of your average kid. His first words were "ho ho ho!" By five he was wearing a fake beard and mustache, and could rarely be found without his favorite stuffed reindeer. It was clear from a very young age that he was destined for uniqueness.... Despite this, his parents went to great lengths to keep the normalcy in his life. They had him learn guitar (he was in a rock band!), and play baseball (he had quite an arm), and even do chores (okay—here he was like any other kid on earth—he hated chores). But there was no stopping Santa from being Santa, and one winter, he began to make his lists. He checked them twice, and delivered toys to children all over Cincinnati. Then, all over Ohio. Then—the world. Compiled from his baby book, family photos, and report cards, Santa from Cincinnati provides a full-spectrum view of the boy who grew to be the man who grew to be Santa.

This is a Christmas story where children will discover why Santa Claus has no beard, the problems he encounters, all the way to the exciting ending. The Christmas Santa Had No Beard brings a refreshing answer to the question, "Who is that man behind the fake beard?" This story helps to reaffirm and restore the magical image of Santa Claus within every child's imagination.

Silky's Story

'I'll be more enthusiastic about encouraging thinking outside the box when there's evidence of any thinking going on inside it.' The most quotable writer of our time, Terry Pratchett's unique brand of wit made him both a bestseller and an enduring, endearing source of modern wisdom. This collection is filled with his funniest and most memorable words about life, the universe and snoring.

The First Victory is a complete guide to confidence for professionals in any field: how to understand it, how to build it, how to protect it and how to apply it when your performance matters. Chinese philosopher Sun Tzu once observed: 'Victorious warriors win first and then go to war, while defeated warriors go to war first and then seek to win.' No athlete, performer or professional can step into the arena and win without first achieving victory over doubt, worry and uncertainty. The First Victory distils Nathaniel Zinsser's years of experience helping Army elites and top-tier Olympic and professional athletes achieve their 'first victories' with a step-by-step logical approach. The idea that confidence is elusive and intangible will be removed, its components broken down into learnable steps and the process of applying those steps when it's time to step into the spotlight clearly described. Throughout the book, readers will hear from champion athletes such as Michael Phelps, from Army combat veterans and other elite performers and professionals to show how the reader can adopt the same mental strategies to control what can be controlled and to be unfazed by what can't.

Based loosely on The Science of Discworld II: the Globe, Lords & Ladies, and A Midsummer Night's Dream, The Shakespeare Codex is a new Discworld stage adaptation written to commemorate Terry Pratchett's life and works. Discworld's motley band of characters team up and stop the elves taking over our world, make Shakespeare write A Midsummer Night's Dream ... and ensure the potato is discovered! Featuring Ridcully, Rincewind, Granny Weatherwax, Angua, Vetinari, Shakespeare, Queen Elizabeth I (and the Earl of Oxford), this is an unmissable new adventure for Discworld fans.

Unseen University are proud to present the most comprehensive map and guide to the Disc yet produced. In this noble endeavour, drawing upon the hard won knowledge of many great and, inevitably, late explorers, one may locate on a detailed plan of our world such fabled realms as the Condiment Isles, trace the course of the River Kneck as it deposits silt and border disputes in equal abundance on the lands either side, and contemplate the

vast deserts of Klatch and Howondaland - a salutary lesson in the perils of allowing ones goats to graze unchecked. This stunning work brings to life the lands and locations of the Discworld stories in a way never seen before. Accompanied by lavish full-colour illustrations and a detailed world map, this is a must-have for any Discworld fan.

Enid Blyton's timeless collection of Christmas stories - an ideal gift for anyone who loved the stories during their own childhood to pass on to the next generation of readers. Enid Blyton's Christmas Stories was so popular that readers asked for another collection - and here it is! Nobody captures the spirit of Christmas like Enid Blyton, and in these stories - which are perfect for reading alone or sharing - she describes the excitement of anticipating gifts, the pleasures of making special food, of singing carols, and coming together to share good times with friends and families. As ever with Blyton, there is mischief and mayhem but good always prevails in the end. This is an entirely different set of stories to the ones included in Enid Blyton's Christmas Stories. All stories previously appeared in magazines and anthologies from the 40s and 60s. This collection contains the original texts and is unillustrated. The stories in this collection are: One Christmas Eve All the Way to Santa Claus Annabelle's Little Thimble A Coat for the Snowman The Extraordinary Christmas Tree On His Way Home Good Gracious, Santa Claus!
