It's a known fact that for running a safe society, we also need security forces. While the armed forces protect the boundaries of our country, it is the police force that is primarily responsible for maintaining internal peace. To strengthen the police force, therefore, the Rajasthan government has decided to induct more than 5000 candidates for the post of constable in various departments including Districts/Unit/Battalion. Hence, Rajasthan Police will be holding an examination in the coming days, that will comprise of a written test, a Physical Efficiency Test, and a medical test. So candidates are suggested to start their exam preparation right now. Purchased the book "Rajasthan Police Constable 2021", and start preparing for the exam from right now.

CEH can be said as a certified ethical hacker. This certification is a professional certificate and it is awarded by the EC council (international council of E-commerce consultant). An ethical hacker is a name that is given to penetration testing/ tester. An ethical hacker is employed by the organization with full trust with the employer (ethical hacker) for attempting the penetrating the computer system in order to find and fix all the computer security vulnerabilities. Computer security vulnerabilities also include illegal hacking (gaining authorization to some other computer systems). These activities are criminal activities in almost all countries. Doing a penetrating test in a particular system with the permission of the owner is done and also possible except in Germany. This

certification validates the knowledge and skills that are required on how to look for the vulnerabilities as well as weaknesses in a particular computer.

Use this comprehensive resource to gain the theoretical and practical knowledge you need to be prepared for classroom tests and certification and licensure examinations.
