forces to harmonize individuals with their surrounding environment. The term feng shui literally translates as "wind-water" in English

### Feng shui - Wikipedia

In Japan feng shui is called fusui (wind-water). Fusui has had a long history and wielded considerable influence from ancient to contemporary times. Like other practices that incorporate the five Chinese elements in Japan, such as traditional Japanese medicine, the art of fusui has had limited exposure outside of the country.

### Fusui, the way of Feng Shui in Japan | Elemental Japan

The philosophy of feng shui is a practice of arranging the pieces in living spaces in order to create balance with the natural world. The goal is to harness energy forces and establish harmony between an individual and their environment. In Asian culture, this philosophy is called the Tao, which translates to mean "the way."

### The Basic Principles of Feng Shui

Comment: Good condition, wear from reading and use. All pages are intact, and the cover is intact and has some creases. The spine has signs of wear and creases. This copy may include From the library of labels, stickers or stamps and be an ex-library copy. 1-Click ordering is not available for this item.
