Well now, this book of David Gledhill accomplishes the other books excellent and makes the story about the Falklands and the British, who defend the islands, complete. In Fighters over the Falklands the author tells how the United Kingdom in 1982 engaged into the conflict with the Argentinians who had occupied the Falklands and everything what happened afterwards on the islands till 2013.

Adding to the authority of the writer and this book is that he also served at 1435 flight's commander in the Falklands and flew both F4's and Tornado F3's which are the fighters that grace the cover. After the obligatory brief history of the war the book delves into the immense difficulties posed by operating sophisticated fighter aircraft from what were incredibly austere conditions following the end of the conflict.
