The Secret of Literacy is an essential  
book for all teachers and school  
leaders. It is not just another  
literacy book. David Didau provides a

crystal clear rationale for all teachers taking responsibility for developing literacy in their specialist areas, with lots of very practical ideas, drawing on a range of sources from blogs and the latest literature on the issue.

The Secret of Literacy: Making the implicit, explicit ...

In the concluding chapter of the book, Didau explains why literacy is so

Where is The Repair Shop filmed and who pays for the repairs?

This is a serious business and, as David highlights, too much of what we do in the name of literacy, isn't literacy at all. The book is challenging us to do better and shows us how. 'Making the implicit explicit' captures the key message, but 'The Secret of Literacy' is more than a set of tools; it is a call to arms!
