### **The Awful Truth About Getting Rich That No One Wants to ...**

Knowing how to get someone to tell you the truth is a useful skill to have. It can help you in a variety of situations, including at home and on the job.

Although it can take some practice, patience, and confidence on your part, it is achievable and can help you get to the bottom of things. By showing a person you are on their side, starting the conversation in the proper way, and knowing the signs that someone is lying, you increase your chances of finding out the truth.
