- Enables organizers to envision and implement a VBS program customized for the local church - Practical, comprehensive, from-the-ground-up approach to VBS Designing a Vacation Bible School program, as opposed to choosing one of the many off-the-shelf packages, is a labor of love. It considers the unique perspective of children and invests accordingly. It's a home-cooked meal compared to fast food. It sends a message to parents that a church values children enough to identify and meet their specific needs in their community at a particular moment in time. Well-designed VBS programs speak to children with respect, love, and patience, offering opportunity for authentic spiritual growth, not to mention an intentional theology that is reflective of the church. Finally, custom-designed VBS programs are a way to fully include children in the mission and ministry of the church rather than confine their unique gifts. This book provides Christian educators with the tools they need to assess the needs and resources in their congregation, and to craft a creative program in response to that assessment. The Best VBS Workbook Ever offers direction and suggestions on theme, structure, logistics, program, activities, staffing and promotion. Audience: Episcopal and other mainline churches looking for something more original and thoughtful than typical pre-packaged VBS programs, Directors of Christian Education, Directors of Children's Ministry, Camps and Retreat Centers, FORMA, Kanuga Christian Education conference, eFormation network

Paul was the most influential figure in the early Christian church. In this epistle, written to the founders of the church in Rome, he sets out some of his ideas on the importance of faith in overcoming mankind's innate sinfulness and in obtaining redemption.

Spiritually, mountaintops can represent grandeur, majesty, protection, and a safe place from all storms. But what describes the climb up the mountains? Difficulties, adversities, setbacks, injustices, betrayals, deceit, conspiracies just to name a few. There are hidden complexities for the mountain climber: hidden vice-covered ravines, slippery slopes, crags and crevices, venomous snakes, unstable weather, little to no vegetation to feed upon. Sometimes sprained ankles, broken bones, and being just too tired to go on! Compare that to what can happen when mustard-seed faith collides with adversity time and time again. That's the story of the journey of Cami Marie Taylor whose blind faith eventually led her to the very footstool of God at the top of her own, personal mountain. You will be wasting your time reading this book if you've never had to face a way out of impossible situations with seemingly no answers. But then again, you just might be interested in how Cami was led and strengthened to climb her mountains of adversity! Inspirational reading intermixed with practical Christianity best describes Cami Marie Taylor's journey during the 1970s--1980s while it also records the great outpouring of the Holy Spirit who accompanied her on her unchartered mountain-climbing expedition!

We must never underestimate the power of our story. If you're finding yourself in a place where you can't seem to catch your breath, you'll find hope and help on these pages. – Jill Savage, Founder of Hearts at Home, author of No More Perfect Moms Just Breathe is the inspirational account of the Waterworth family as they experience shocking diagnoses, learn a new normal as two of their children manage a life-threatening disease, and later, how Leanne and her son survive a horrific van accident during a family vacation in Montana. Through their faith in God and the support of a strong, loving, community, you'll be moved to hear how they overcome extreme obstacles and continue to be thankful, choosing joy, even in the midst of the most difficult circumstances.

In Waves of Worship, Joey Nicholson brings an understanding of the preparation of the heart for worship, and an explanation of the role of music in worship. For all worshipers and those leading worship today, this book gives insight on how to balance confidence with humility. The author combines his sense of humor with his personal worship experiences and his many years of biblical study, encouraging readers to desire to be real with each other and with the Lord; ultimately impacting others, from neighbors to nations. Joey Nicholson clearly explains the difference between praise and worship, providing readers with an understanding to these terms that are used by so many modern churches. He also shares what love has to do with worship and the need to minister in love, both to each other and to the Lord. As a professional musician, worship leader and songwriter, Joey also gives a simple understanding of the songwriting process while relating it to the overflow of being in the presence of God. Through this the reader will know that, as created in God's image, simply being in the presence of our Creator will naturally produce a desire and even an ability to create. The reader, as created to worship the Lord, now has a tool to understand the process."

The lyrics to the the Christmas carol accompanied by illustrations by famous artists including Raphael and Corregio.

"I never knew how much I needed Jesus until I found out I was judging people who use the table of contents in their Bible. This book saved me from looking like a bad Christian." - Sister Mary Francis, Rhode Island. "It's such a time saver to know that my Chick-fil-a from the drive-thru comes pre-blessed. I found this book on Bookbub, and am thrilled with what I've read. I wish every Christian would read it--especially every pastor and leader. My husband (who is a pastor) and I had already come to these conclusions before I found this book, but it gives me great hope that others are seeing the same disastrous problems. We have created a "monster" that we call "church" which little resembles the New Testament kind, and people are fleeing it. For all the promise of the "contemporary" style church, it isn't really much better. The church is failing to make disciples and failing to have any real impact in the culture, and it's all because we have failed to make authentic (true) converts. It's that simple. It's easy to make a disciple of someone who has been truly converted. Otherwise, with our usual crop of "decisions," it's like pushing a rope to get any serious commitment or Christlikeness out of them. The Bible says that Jesus is the Door, but to be brutally honest, the only way through that Door is to crawl--in repentance, submission (brokenness), and faith. We are no different than the church of the Middle Ages that baptized babies for salvation, leaving millions of people still in their sins. There isn't really any such thing as "a church for the unchurched" as many like to claim today. We should be the church of the redeemed, but we have become a church of the unsubmitive, unrepentant, unconverted, uncommitted, and unfaithful. And it all goes back to one thing--real salvation thru real repentance and real faith in Jesus Christ."-M.J. Freeman ..". thought provoking book showing true believers in Jesus Christ the need to examine the methods we are using to evangelize our children... the author backs up all of her writing with scripture, the true Word of God." -Alicia Canner " ...Wow what an eye opener, it opened my eyes to the real meaning of being born again. Not only a book to help with the youth but for everyone..."-Malinda Zemrose As Christian women, there is probably nothing more heartbreaking than seeing our children turn from God. We spend thousands of dollars, and sacrifice countless hours to VBS, Bible clubs, Youth outings, Church camp, and children's parties every year. We build elaborate stage sets, plan fantastic carnivals, and youth extravaganzas and bus in all the children and teens we can find in the hopes of leading them to Christ; and yet we are still losing them. We see the grown-up children, the "fruits" of our outreaches, living as practical Atheists. They walk and talk and act like the world, even loving the world, and though they claim to be saved, evidence of life in Christ is conspicuously absent. Even our own children are abandoning the faith. They have asked Jesus into their hearts and yet we see them turn from God at staggering rates. Statistics show that no less than half have turned from God by High School age and closer to two thirds by the time they finish college. What we're doing is just not working! In Why Are We Losing the Kids? You'll see where we have gone wrong and where to go from here. - We can turn the tide on our failing ministry efforts! - We can share the gospel without creating false converts or backsliders! - We can keep the kids if we'll follow God's plan! The Bible has the answers if we're willing to hear them!

Jeff Slaughter is known throughout the world for both his amazing passion in worship leadership and his awe-inspiring lyrics, estimated to have been sung by forty-six million children worldwide. Yet, what's less known about Jeff Slaughter is the tough journey of heartbreak and loss, joy and victory that led him to a place where he could finally share his remarkable story. It's All True reveals both the tragedy and triumph of Jeff Slaughter's life. Readers will no doubt draw encouragement and great strength from the story of a man who, despite difficult circumstances, has always found God to be right there with amazing grace, seeing him and his family through all obstacles. When Jeff tells such stories as witnessing his fourteen-year-old niece's tragic death at a family Labor Day picnic and the lost battles with cancer fought courageously by both his parents, the reader will feel his pain. Yet, the reader will also experience joy through the many humorous moments of Jeff's life and the new path God has blazed for him. Through it all, some of his most touching and meaningful songs have come from those experiences, including the song entitled "It's All True," which has provided the theme for Jeff's life.
