***Book Description. Refugee camps are imbued in the public imagination with assumptions of anarchy, danger and refugee passivity. Governing Refugees: Justice, Order and Legal Pluralism challenges such assumptions, arguing that refugee camps should be recognized as spaces where social capital can not only survive, but thrive. This book examines camp management and the administration of justice in***

***Governing Refugees: Justice, Order and Legal Pluralism ...***

***Refugee camps are imbued in the public imagination with assumptions of anarchy, danger and refugee passivity. Governing Refugees: Justice, Order and Legal Pluralism marshals empirical data and ethnographic detail to challenge such assumptions, arguing that refugee camps should be recognised as spaces where social capital can not only survive, but thrive.***

***Governing Refugees: Justice, Order and Legal Pluralism ...***

***'Governing Refugees develops a compelling and stylish argument about how multiple forms of justice and governance intersect and overlap to regulate life in a Karen refugee camp on the Thai-Burmese border. Its analysis of the interrelationships among state law, local cultural practice, religious values and international human rights and refugee law is both novel and inspiring and is set to establish Kirsten McConnachie as an outstanding figure in the field of law, justice and refugee studies.'***

***Governing Refugees: Justice, Order and Legal Pluralism ...***

***In some ways the most important feature of Kirsten McConnachie's Governing Refugees: Justice, Order and Legal Pluralism is the author's manifest commitment to contextualizing refugees' experience of encampment from within their own perspective, ensuring that their voices are not only heard but dominate the discussion.***

***Governing Refugees: Justice, Order and Legal Pluralism ...***

***Emphasising the work of refugees themselves in coping with and adapting to encampment, it considers themes of agency, sovereignty and legal pluralism in an analysis of local governance and the production of order beyond the state. Governing Refugees will appeal to anyone with relevant interests in law, anthropology and criminology, as well as those working in the area of refugee studies.***
