This book prepares girls for what to expect from puberty and offers advice on what they can do to cope with the emotional, psychological and physical changes and stay happy and confident as they go through their early teens.

Growing Up For Girls by Felicity Brooks - Goodreads

Girls Growing Up. Girls Growing Up in Changing Times and Places explores young women's experiences of growing up in communities undergoing substantial changes due to changing labour markets. The project is interested in what such changes mean for how young women with interrupted schooling pathways think about their future; what they hope this will bring; and where they think it will take them.
