~~APTA Releases Physical Therapist Practice Guide, Free to ...~~

~~Originally, APTA developed the Guide to Physical Therapist Practice as a resource also for health care policy makers, administrators, managed care providers, third-party payers, and other professionals. Because these external stakeholders now have access to other key resources, and because the rapid evolution of health care policy requires more dynamic documents, Guide 3.0 was developed primarily for physical therapist and physical therapist assistant audiences.~~

~~Guide to Physical Therapist Practice -- About Guide 3.0~~

~~The Guide contains general categories of tests and measures that the physical therapist may decide to use during an initial examination visit or during subsequent visits as part of reexamination. Physical therapists may decide to use tests and measures that are not described in the Guide, following the principles stated in the Standards for Tests and Measurements in Physical Therapy Practice . 1~~
