Looking for trivia books filled with fun facts and trivia questions and answers? Answers to Questions You've Never Asked will entertain you for hours. Fun facts for kids of all ages: When you take the most absurd parts of history, science, economics and geography, you end up with a pretty confusing picture of humanity. Why do we have borders, what's the furthest you can get from the ocean, how do you qualify as a country and why did Vikings wear those silly helmets? These are just a few of the strange questions that bounce around the head of YouTube sensation Joseph Piseni, aka RealLifeLore. Trivia questions and answers: In his channel, Piseni presents illogical truths in a logical manner. In his debut book, Piseni builds on this nonsensical humor of the universe with in-depth analysis of empires, economies, and ecosystems as he helps answer the ridiculous. Why, you ask? Because someone has to. Using line drawings, graphs and charts, Piseni not only details the absurd, but he also provides explanations on why things are ...and why they aren't. Answers to: • Where can I move to so that I'm never tempted by McDonalds again? • How far into the Pacific does Trump's wall stretch? • If Plato came back to life, what would he think of modern democracy? • Why do all empires fail? • Who decides what countries are allowed to participate in the Olympics? • What makes Finland so great? Witty, thought-provoking and occasionally snarky, Answers to Questions You've Never Asked is for anyone who beams with curiosity and has a belly-button.

The History of the Church of Jesus Christ of Latter-day Saints is also the history of the opening and progress of the Dispensation of the fullness of Times; and as that dispensation bears an important relation to all dispensations which have preceded it, let us here ascertain in what that relation consists. By doing so we shall have a better appreciation of the full import of those events which make up the history of the Church.In publishing the History of the Church of Jesus Christ of Latter-day Saints, it is felt that a solemn duty is being performed to the Saints and to the world. The events which make up the history of the Church in this age are the most important that history can chronicle. It is due therefore both to the Saints themselves and to the world that a faithful and complete history of the facts in which the Church of Jesus Christ of Latter-day Saints had its origin, together with the events through which it was subsequently developed, and all the circumstances, experiences and trials through which it passed be made known to mankind.Elder B. H. Roberts consulted diaries, printed sources, and remembrances of

Church members to prepare a history of the Church that centered mainly on the life of Joseph Smith. Before it was published, Elder Anthon H. Lund and President Joseph F. Smith read and approved the work. The resulting seven volumes, over forty-five hundred pages, known as the History of the Church has since become a great resource to Church members and historians alike.
