The Honda Z series or Monkey Bike was a line of minibikes made by Honda. Though Honda's official model designations are typically Z50A, Z50J, Z50M, Z50R, and ZB50, they are commonly called the Monkey or Gorilla because of small frame's cramped riding posture, suggesting a simian crouch. Sales of the bike began in March 1964 with the Z50M model, and production ended in 2017.
