An important step to take to become a model is deciding on what type of model you'd like to be. Different types of modeling will have different model requirements, such as height, style, and clothing size. There are almost as many types of modeling as ice cream flavors, so here's a brief rundown on just a few of them:

To stretch your arms and shoulders, start by standing with your feet shoulder width apart. Then, bend your right arm at the elbow and reach behind your back as far to your left side as possible. You can gently grab your right forearm with your left hand to increase the stretch. Hold for 15 seconds and repeat on the other side.

This modern kiln has been engulfed in a termite mound, giving it the appearance of an impressive Cham tower from a distance. As a child, I always wanted to be like Indiana Jones. Only when I came to Vietnam as an adult did I realize that I actually could discover ancient ruins buried in the jungle, minus the fedora and bullwhip.
