*partnerships in the contemporary world for better prospects. The book also rests on the premise that women can contribute to prosperity and peace only if they are properly educated, and able to make and implement decisions themselves. The volume will also educate the reader on how women are powerhouses of innovation and creativity, as their contributions in the field of higher education, especially science and technology, have been highly laudable. It will provide the reader with the opportunity to enrich their understanding of how economic freedom is very important for female empowerment, and presents women as partners for economic development.*
