Humanism and Democratic Criticism - Edward W. Said ...

Traditional humanistic education has been under assault for many years. In this, his final book, Edward Said argues that a more democratic form of humanism - one that aims to incorporate, emancipate, and enlighten - is still possible. Proposing an enhanced dialogue between cultural traditions as a strategy for revitalizing the humanities, Said contends that words are vital agents of historical and political change and that reading teaches people to continually question, upset, and reform.
