The GBV Guidelines have been revised from the 2005 version by an inter-agency Task Team led by UNICEF and UNFPA, and endorsed by the IASC in 2015. The purpose of the Guidelines is to assist humanitarian actors and communities affected by armed conflict, natural disasters and other humanitarian emergencies to coordinate, plan, implement, monitor and evaluate essential actions for the prevention and mitigation of GBV across all sectors of humanitarian response.

---

### Guidelines for Integrating Gender-Based Violence ...

The core tools of the GBV Guidelines sit within the Thematic Area Guidance and are outlined in Module 5. However, based on participant knowledge and experience, it is recommended to introduce other critical aspects of GBV prevention and mitigation, such as those highlighted in Modules 2-4, also reflected within Part 2 of the Guidelines.
