*In the Name of Identity: Violence and the Need to Belong ...*

In the Name of Identity: Violence and the Need to Belong (French: Les Identités Meurtrières) is a 1998 book by Amin Maalouf, in which he discusses the identity crisis that Arabs have experienced since the establishment of continuous relationships with the west, adding his personal dimension as a Lebanese Christian.

*In the Name of Identity - Wikipedia*

What's known as an identity card carries the holder's family name, given name, date and place of birth, photograph, a list of certain physical features, the holder's signature and sometimes also his fingerprints—a whole array of details designed to prove without a shadow of doubt or confusion that the bearer of the document is so-and-so, and that amongst all the millions of other human beings there isn't one — not even his double or his twin brother — for whom he could be mistaken.

*In the Name of Identity: Violence and the Need to Belong ...*

He argues that, “Identity can’t be compartmentalized. You can’t divide it up into halves or thirds or any other separate segments.

*In the Name of Identity Summary - PHDessay.com*

IN THE NAME OF IDENTITY ... Worldwide, the greatest threat to individual identity is globalization, promoted by developed countries (and threatening to the undeveloped), and led by the US (provoking resentment by everyone). Globalism is really a synonym for modernization: technology, relaxed morals, a breakdown in tradition. ...

*Identity (2003) - Full Cast & Crew - IMDb*

The sense of personal identity and uniqueness that a name gives us is at the heart of why names interest us and why they are important to us as individuals and to our society as a whole. In spite of their importance, though, most people know very little about names and about the effects they have on us an on our children in everyday life.

*Names and Personal Identity - Behind the Name*

In this extraordinary and timely book, Volkan explains better than anyone the relationship between large-group identities and massive traumas and current events and ongoing conflicts around the world, including those related to the horrific attacks of 9/11. In Killing in the Name of Identity, Volkan has taken us further, and deeper, into the dark and vulnerable collective mind of ethnic, religious, cultural, and national group conflict.

How our names shape our identity. September 15, 2013. A court forced this child’s parents to change his name from "Messiah" to "Martin." He's probably better off. Screen shot.

*How our names shape our identity - The Week*

Identity is the crucible out of which we come: our background, our race, our gender, our tribal affiliations, our religion (or lack thereof), all go into making up who we are. All too often,...

*In the Name of Identity: Violence and the Need to Belong ...*

Name of Identity provides us with a cultural and historical understanding of the current conflict between the Middle East and the West. Maalouf explores a number of widely discussed issues, but also adds uncommon insight to help derail several striking misconceptions about the Middle East and the West. In the final analysis, Maalouf’s hopeful

*Violence in the Name of Identity*

In the Name of Identity (1998) explores the fallacies surrounding the idea of identity. The author uncovers the link between oversimplified, one-dimensional understandings of identity to violent cultural and sociopolitical clashes in the past and present, while arguing that identity and a global community of humankind are both compatible and desirable.
