Industrial Actuator Faulhaber

Engineered in a compact design, the 6091 industrial actuator combines FAULHABER's innovative Motion Control solutions consisting of powerful DC-Micromotors, robust planetary gearheads and high-precision feedback components.

---

Industrial Actuator - FAULHABER Drive Systems

FAULHABER is a leading supplier in the area of high precision miniature and micro drive systems. FAULHABER offers the most extensive range of miniature and micro drive technologies available from a single source worldwide.
