Aaron Beck - Psychodynamic Theories	Introducing Cognitive Analytic Therapy Principles	An introduction to Cognitive Behavioural Therapy

This is a comprehensive, up-to-date introduction to the origins, development, and practice of cognitive-analytic therapy (CAT). Written by the founder of the method and an experienced psychiatric practitioner and lecturer, it offers a guide to the potential application and experience of CAT with a wide range of difficult clients and disorders and in a variety of hospital, community care and private practice settings.

Introducing Cognitive Analytic Therapy: Principles and ...

This book offers an updated introduction and overview of the principles and practice of cognitive analytic therapy (CAT). The last such book appeared over ten years ago and was the first systematic articulation of a new, integrative model which had been developed over a period of many years. Although there

INTRODUCING COGNITIVE ANALYTIC THERAPY

Introducing Cognitive Analytic Therapy: Principles and Practice of a Relational Approach to Mental Health by Ryle, Anthony; Kerr, Ian B. at AbeBooks.co.uk - ISBN 10: 0470972432 - ISBN 13: 9780470972434 - Wiley - 2020 - Softcover

Introducing Cognitive Analytic Therapy: Principles and ...

Introducing Cognitive Analytic Therapy: Principles and Practice of a Relational Approach to Mental Health, 2nd Edition starts with a brief account of the scope and focus of CAT and how it evolved and explains the main features of its practice. It next offers a brief account of a relatively straightforward therapy to give readers a sense of the unfolding structure and style of a time-limited CAT.

Introducing Cognitive Analytic Therapy: Principles and ...
Boa, C., 2002. Book Review - INTRODUCING COGNITIVE ANALYTIC THERAPY PRINCIPLES AND PRACTICE: Anthony Ryle and Ian B Kerr. Reformulation, Autumn, p.33. This is a most refreshing and readable update of CAT principles of theory and practice. I found its style much more lively and accessible than the original 'blue book' yet the content is as comprehensive and practical as the earlier version and the book is generously sprinkled throughout with illustrative and relevant case studies.

Book Review - INTRODUCING COGNITIVE ANALYTIC THERAPY ...
The general aim of Introductory Courses is to provide a clear introduction to the principles and practice of Cognitive Analytic Therapy (CAT). They provide an opportunity for participants to try out the methods and evaluate their interest in Cognitive Analytic Therapy (CAT). They also help to identify further options for training or supervision.
