~~Introduction to Microeconomics - Practice Test Questions ...~~

Microeconomics considers the economics of everyday life, the decisions that we as households take and the impact of businesses in different and often related industries. Macroeconomics is the study of the economy as a whole and it also analyses the global (international) economic system. tutor2u 107K subscribers

~~Introduction to Macroeconomics (Head Start in... | Economics ...~~

Microeconomics .. and those actors could be firms, could be people, it could be households. And you have macro-economics, which is the study of the economy in aggregate. Macro-economics. And you get it from the words. Micro -- the prefix refers to very small things. Macro refers to the larger, to the bigger picture. And so, micro-economics is essentially how actors .. actors make decisions or ...
