Joint Commission International Survey Process
Accreditation Bulletin: COVID-19 Impact Assessment and
Survey Process. Wednesday, July 01 2020. The Joint
Commission International (JCI) Hospital Standards
promote continuous, systematic and organization-wide
improvement in daily performance and in outcomes of
patient care. It is JCI's expectation that all hospitals will
maintain compliance with the JCI standards in a way that
provides safe, quality patient care during the pandemic.

logical to do so. • All hospitals and Centers for Medicare & Medicaid (CMS) deeming or recognition surveys are unannounced. The following are exceptions to unannounced surveys:

Unannounced survey process - Joint Commission

The main activity during a Joint Commission or Joint Commission International (JCI) survey of any type of health care organization is the tracer (see the sidebar "Tracers at a Glance," at right). A mock tracer is a practice tracer meant to simulate an actual tracer. During a mock tracer, one or more people may play the role of a surveyor

How to Conduct a Mock Tracer Layout 1

International Accreditation Matters Successful completion of a rigorous accreditation process is a signal to patients that a health care organization has undergone an exacting performance assessment and met a robust series of qualifications in patient safety and quality of care. Of course, pursuing international accreditation is a big decision.

JCI Accreditation | Joint Commission International Accreditation and certification are important accomplishments to achieve and we are here to help your organization throughout the entire process. [Books] Jci Accreditation Hospital Survey Process Guide The Joint Commission survey process is patient-centered, data-driven, and focused on evaluating actual care processes. The on-site accreditation survey is also intended to be a learning experience. To that end, we provide education and "best practice" guidance to help your staff continually improve performance. What to Expect on Survey Day

Snapshot of Survey Day - Joint Commission

The unannounced full survey is a key component of The Joint Commission accreditation process. "Unannounced" means the organization does not receive advanced notice of its survey date. The Joint Commission began conducting unannounced surveys on January 1, 2006. Surveys occur 18 to 39 months after the organization's previous unannounced survey.
