Boys, in general, have a hard time opening up about the little details of their lives. Can you imagine what it would be like to really connect with them? It would be amazing toget more than a one-word response and do beyond 'yes' or 'no' answers, hear what's really in their heart and what they are proud of or struggling with, and feel, deep in your core, that you are preparing your boys for the challenges they will face as men. The Mother and Son Journal was designed to make those wants a reality for you and your boys. This journal will help to increase the bond between a mother and son as they pass the journal back and forth answering a variety of fun questions that go beyond yes or no answers. Your son will love hearing what your favorite thing about him is or how you handled a difficult situation when you were his age. And I guarantee he has questions that he would like answered, but doesn't know how to ask. Our sons grow up very quickly and are out the door before we are ready. This Mother and Son Journal will be a treasure to you both as you look back at your answers long after the book is complete. As the years go by, you may find that your sons have moved beyond the answers of fire or good and your bond will be something that you treasure and hold dear for the rest of your lives.

With the same brilliant combination of humor and warmth she brought to bestseller Bird by Bird, Anne Lamott gives us a smart, funny, and comforting chronicle of single motherhood. It's not like she's the only woman to ever have a baby. At thirty-five. On her own. But Anne Lamott makes it all fresh in her now-classic account of how she and her son and numerous friends and neighbors and some strangers survived and thrived in that all important first year. From finding out that her baby is a boy (and getting used to the idea) to finding out that her best friend and greatest supporter Pam will die of cancer (and not getting used to that idea), with a generous amount of wit and faith (but very little pioussness), Lamott narrates the great and small events that make up a woman's life. "Lamott has a conversational style that perfectly conveys her friendly, self-depricating humor." -- Los Angeles Times Book Review "Lamott is a wonderfully lithe writer. Anyone who has ever had a hard time facing a perfectly ordinary day will identify." -- Chicago Tribune

"A compelling tragedy, but one which casts valuable new light on the outsized human dimensions of both men ... Agonising but excellent" The Telegraph 'In this fascinating account of the turbulent Churchill father-and-son relationship, Josh Ireland shows how central Winston and Randolph were to each other's lives' Andrew Roberts Few fathers and sons can ever have been so close as Winston Churchill and his only son Randolph. Both showed flamboyant impatience, reckless bravery, and generosity of spirit. The glorious and handsome Randolph was a giver and devourer of pleasure, a man who exploded into rooms, trailing whisky tumblers and reciting verbatim novel passages of classic literature. But while Randolph inherited many of his fathers' talents, he also inherited all of his flaws. Randolph was his father only more so: fiercer, louder, more out of control. Hence father and son would be so very close, and so liable to explode at each other. Winston's closest ally during the wilderness years of the 1930s, Randolph would himself become a war hero, serving with the SAS in the desert and Marshal Tito's guerrillas in Yugoslavia, a friend of press barons and American presidents alike, and a journalist with a 'genius for uncovering secrets', able to secure audiences with everyone from Kaiser Wilhelm to General Franco and Guy Burgess. But Randolph's political career never amounted to anything. As much as he idolised Winston and never lost faith in his father during the long, solitary years of Winston's decline, he was never able to escape from the shadow cast by Britain's great hero. In his own eyes, and most woundingly of all his father's, his life was a failure. Winston, ever consumed by his own sense of destiny, allowed his own ambitions to take priority over Randolph's. The world, big as it was, only had space for one Churchill. Instead of the glory he believed was his birthright, Randolph died young, his body rotted by resentment and drink, before he could complete his father's biography. A revealing new perspective on the Churchill myth, this intimate story reveals the lesser-seen Winston Churchill: reading Peter Rabbit books to his children, admonishing Eton schoolmasters and using decanters and wine glasses to re-fight the Battle of Jutland at the table. Amid a cast of personalities who defined an era - PG Wodehouse, Nancy Astor, The Mitfords, the Duke and Duchess of Windsor, Lord Beaverbrook, William Randolph Hearst, Oswald Mosley, Graham Greene, Duff and Diana Cooper, the Kennedys, Charlie Chaplin, and Lloyd George - Churchill & Son is the lost story of a timeless father-son relationship.

This little book is a beautiful gift for your Son. It has fill in the blank lines to describe why your Son is the greatest. You can easily complete each line and produce this entirely unique gift that your Son will treasure forever. With 25 prompts there are not too many to make it hard to fill out - just the right amount to show your love and appreciation, and maybe bring a tear to your Son's eye! This book is perfect for Christmas or Birthdays, as it will be an amazing gift for your Son that he will treasure forever.

A one-of-a-kind journal for the father & son who crave a rule-free, creative way to connect with each other. This engaging prompt journal is the perfect tool to build father-son relationships. Kids can record memories, swap stories, compare perspectives, and explore common and unique interests with their dads! A retired Wall Street Journal editor and mother compares two generations of women—boomers and GenXers—to examine how each navigates the emotional and professional challenges involved in juggling managerial careers and families. For the first time in American history, a significant number of mothers are heading major corporations, including General Motors, Ulta Beauty, and Best Buy. Over the past several decades, women have made gains throughout executive suites. Yet these "Power Moms" still struggle with balancing their management responsibilities with raising children. Joann S. Lublin draws on the experiences of the nation's two generations of these successful women to measure how far we've come—and how far we still need to go. Lublin combines her own insights with those of eighty-five executive mothers across industries—including experienced public-company chiefs such as Carol Bartz, the first woman to command Autodesk and Yahoo; Hershey's Michele Buck, DuPont's Ellen Kullman, ITT's Denise Ramos, and WW International's Mindy Grossman—and twenty-five of their grown daughters. Lublin reveals how trailblazer boomers, many now in their sixties, often endured sweeping disapproval for their demanding management careers, even as their own daughters sometimes rejected their choices. While the second wave of executive mothers—all under forty-five—handle working parenthood with less angst, they still lead stressful lives. Power Moms provides lessons and advice to help today's professional women, their families, and their employers navigate this challenging terrain. Lublin looks at the trade-offs mothers are too often forced to make between work and family and the root causes, including the death of large-scale paid parental leave and other family-friendly policies. While it celebrates the gains women have made, Power Moms makes clear how much more must be done to make being a working mother easier.

This journal deepens the mother/daughter bond while creating a keepsake for when conversation is no longer possible.With journaling questions for Mom such as:"What have you learned from heartbreak?"Is there a book you hope I'll read?"When you're gone, what is something you'll want me to remember you saying?"These questions will transport you from the daily routine into a time when the ordinary has been rendered sacred. Whether you're a parent looking to leave a legacy to your child, or a child recording memories of your parent, make time for the questions you'll later wish you asked: your future self will thank you.Commonly asked: who is this journal for?The journal provides over 100 questions for a mother to answer for her daughter. It makes a perfect baby shower gift for a new mother of a baby girl, keepsake gift for an aging mother or daughter, and thoughtful present for mothers and daughters of all stages in between. Some daughters sit with their parents and fill out the journal while asking the questions: this invites thoughtful conversations, generational connection, and intimacy. Others choose to purchase the journal for themselves, fill it out, and later present it as a gift to their daughters.This journal can be an especially thoughtful gift for a mother who has lost her own mother; the "motherless" mother often deeply recognizes the importance of recording thoughts and memories for her children.

A book that draws a mother and child closer together. Mom and Me: An Art Journal to Share is a full-color art journal for moms and kids to color and draw together. Designed to be a sharing experience, mom and child can write each other letters, draw what scares them, imagine what they want to be when they are grown up, color a scene using only one favorite color, and more. The journal is filled with fun hand-lettering and artwork from Bethany Robertson along with creative prompts from licensed art therapist Lacy Mucklow. It is intended to maximize quality time and conversation between mom and child - a way to communicate without interrogation, prodding, or all the other ineffective methods for learning about your child. It's for those moms who want to hear more about a child's day, what happened, how they felt, their thoughts, etc. Lacy Mucklow will offer up the best ways to communicate with a child through creating together: how to start an open conversation with your child, questions you can ask that will help generate thoughtful responses, and how to tailor the quality time so it's still fun and engaging for your child. This art journal has 50 full-color spreads to color, fill in, draw, and more. Each spread has a creative prompt or another exercise for mom and child to fill out together.

Award-winning 'from you to me' Journals of a Lifetime are the perfect gift for every loved-one, for every occasion, for all the family. Each journal contains around 60 fun and inspiring questions carefully designed to inspire your family to enjoy telling their story, to help you find out amazing things about them.

The Mother and Son Prayer Journal
From the New York Times bestselling author of Bird by Bird, Hallelujah Anyway, and Almost Everything "If there is a doyenne of the parenting memoir, it would be Anne Lamott."—Time In Some Assembly Required, Anne Lamott enters a new and unexpected chapter in her own life: grandmotherhood. Stunned to learn that her son, Sam, is about to become a father at nineteen, Lamott begins a journal about the first year of her grandson Jax's life. In careful and often hilarious detail, Lamott and Sam—about whom she first wrote so movingly in Operating Instructions—struggle to balance their changing roles. By turns poignant and funny, honest and touching, Some Assembly Required is the true story of how the birth of a baby changes a family—as this book will change everyone who reads it.

Have you ever asked your son about his day and received only a one-word response? Communication between mothers and sons can sometimes be hard—but this beautiful journal gives them a chance to connect and learn more about each other. Each page is filled with activities and questions for parent or child to complete that will open a loving discussion about experiences, treasured memories, favorite foods and movies, and more.
