Andy McDermott writes with his usual gripping style that keeps you wanting to turn the next page to find out what's going to happen next. The established characters are very well written and whilst there are references to previous books in the saga, you don't need to have read them to be able to enjoy this book.

you read Kingdom of Darkness: A Novel.

~~Kingdom of Darkness: A Novel by Andy McDermott - Books on ...~~

Kingdom of Darkness is a pretty awesome book, as usual. Even better, the story focuses on Eddie and Nina together for most of the book, so we won't have to deal with Eddie and someone else through half the book anymore. The villains are more badass than ever, and the stakes higher than ever. Which is pretty impressive, all things considered.
